Short term Suspensions, Long-term Suspensions, and Expulsions: Before any disciplinary action to suspend or expel is taken against a student, the following procedures will apply:

- Notice – The **[designated position]** will provide the student with written notice of the conduct warranting the discipline. The written notice will include the following:
 - the specific section of the Standards of Student Conduct that the student is accused of violating.
 - a short statement of the facts supporting the accusation.
 - the right of the student to meet with the **[designated position]** or designee to discuss the accusation, or to respond in writing.
 - the nature of the discipline that is being considered.
- Time limits – The notice must be provided to the student within **[number of days]** of the date on which the conduct took place; in the case of continuous, repeated or ongoing conduct, the notice must be provided within **[number of days]** of the date on which conduct occurred which led to the decision to take disciplinary action.
- Meeting – If the student chooses to meet with the **[designated position]**, the meeting must occur no sooner than **[number of days]** after the notice is provided. At the meeting, the student must again be told the facts leading to the accusation, and must be given an opportunity to respond verbally or in writing to the accusation.

Short-term Suspension – Within **[number of days]** after the meeting described above, the **[CEO]** shall, pursuant to a recommendation from the **[number of days]**, decide whether to impose a short-term suspension, whether to impose some lesser disciplinary action, or whether to end the matter. Written notice of the **[CEO]** decision shall be provided to the student. The notice will include the length of time of the suspension, or the nature of the lesser disciplinary action. The **[CEO's]** decision on a short-term suspension shall be final.

Long-term Suspension – Within **[number of days]** after the meeting described above, the **[CEO]** shall, pursuant to a recommendation from the **[designated position]**, decide whether to impose a long-term suspension. Written notice of the **[CEO]** decision shall be provided to the student. The notice will include the right of the student to request a formal hearing before a long-term suspension is imposed, and a copy of this policy describing the procedures for a hearing.

Expulsion – Within **[number of days]** days after the meeting described above, the **[CEO]** shall, pursuant to a recommendation from the **[designated position]**, decide whether to recommend expulsion to the Board of Trustees. Written notice of the **[CEO's]** decision shall be provided to the student. The notice will include the right of the student to request a formal hearing before expulsion is imposed, and a copy of this policy describing the procedures for a hearing.

Hearing Procedures – Request for Hearing.

Note: *Timelines may be locally determined. Five days is usually the minimum notice time accepted by courts.*

Within **[number]** days after receipt of the **[CEO's]** decision regarding a long-term suspension or expulsion, the student may request a formal hearing. The request must be made in writing to the **[CEO]** or designee.

Schedule of Hearing – The formal hearing shall be held within **[number]** days after a formal request for hearing is received.

Note: *The Board of Trustees may hear these matters itself, or may use the services of a hearing officer or a panel. If the hearing panel format is adopted, the following is suggested.*

Hearing Panel – The hearing panel for any disciplinary action shall be composed of **[insert composition, such as one administrator, one faculty member and one student.]**

The **[CEO]**, the president of the Academic Senate, and the AS president shall each, at the beginning of the academic year, establish a list of at least five persons who will serve on student disciplinary hearing panels. The **[CEO]** shall appoint the hearing panel from the names on these lists. However, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

Hearing Panel Chair – The **[CEO]** shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to

the conduct of the hearing unless there is a vote by both other members of the panel to the contrary.

Conduct of the Hearing

Note: *The hearing must comply with principles of due process, including the right to confront and cross examine witnesses. The following procedure is **legally advised**.*

The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins.

The facts supporting the accusation shall be presented by a college representative who shall be the **[designate position]**.

The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter.

Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

Unless the hearing panel determines to proceed otherwise, the college representative and the student shall each be permitted to make an opening statement. Thereafter, the college representative shall make the first presentation, followed by the student. The college representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the college representative to prove by the preponderance of the evidence that the facts alleged are true.

The student may represent himself/herself, and may also have the right to be represented by a person of his/her choice. **[Suggested language: except that the student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. If the student wishes to be represented by an attorney, a request must be presented not less than five days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the college representative may request legal assistance. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.]**

Hearings shall be closed and confidential unless the student requests that it be open to the public. Any such request must be made no less than **[number of days]** prior to the date of the hearing.

In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

The hearing shall be recorded by the District either by tape recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. Tape recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of the tape recording.

All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape recorded is not unavailable.

Within **[number]** days following the close of the hearing, the hearing panel shall prepare and send to the **[CEO]** a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

[CEO's] Decision:

Long-term suspension – Within **[number of days]** following receipt of the hearing panel's recommended decision, the **[CEO]** shall render a final written decision. The **[CEO]** may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the **[CEO]** modifies or rejects the hearing panel's decision, the **[CEO]** shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the **[CEO]** shall be final.

Expulsion – Within **[number of days]** following receipt of the hearing panel's recommended decision, the **[CEO]** shall render a written recommended decision to the Board of Trustees. The **[CEO]** may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the **[CEO]** modifies or rejects the hearing panel's decision, he or she shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The **[CEO]** decision shall be forwarded to the Board of Trustees.

Board of Trustees Decision: The Board of Trustees shall consider any recommendation from the **[CEO]** for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures (Education Code Section 72122).

The student shall be notified in writing, by registered or certified mail or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board's meeting.

The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board may accept, modify or reject the findings, decisions and recommendations of the **[CEO]** and/or the hearing panel. If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Board shall be final.

The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

Immediate Interim Suspension (Education Code Section 66017): The **[CEO]** may order immediate suspension of a student where he/she concludes that immediate suspension is required to protect lives or property and to ensure the maintenance of order. In cases where an interim suspension has been ordered, the time limits contained in these procedures shall not apply, and all hearing rights, including the right to a formal hearing where a long-term suspension or expulsion is recommended, will be afforded to the student within ten (10) days.

Removal from Class (Education Code Section 76032): Any instructor may order a student removed from his/her class for the day of the removal and the next class meeting. The instructor shall immediately report the removal to the **[CEO]** and the **[designated position]**. The **[designate position]** shall arrange for a conference between the student and the instructor regarding the removal. If the instructor or the student requests, the **[designated position]** shall attend the conference. The student shall not be returned to the class during the period of the removal without the concurrence of the instructor. Nothing herein will prevent the **[designated position]** from recommending further disciplinary procedures in accordance with these procedures based on the facts which led to the removal.

Withdrawal of Consent to Remain on Campus: The **[designate position]** may notify any person for whom there is a reasonable belief that the person has willfully disrupted

the orderly operation of the campus that consent to remain on campus has been withdrawn. If the person is on campus at the time, he/she must promptly leave or be escorted off campus. If consent is withdrawn by the **[designate position]** a written report must be promptly made to the **[CEO]**.

The person from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the period of the withdrawal. The request shall be granted not later than seven days from the date of receipt of the request. The hearing will be conducted in accordance with the provisions of this procedure relating to interim suspensions.

In no case shall consent be withdrawn for longer than **[number of days]** from the date upon which consent was initially withdrawn.

Any person as to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest (Penal Code Section 626.4).

Time Limits: Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties.
