      Whereas the California Community College Chancellor’s Office (CCCCO) has implemented
      the Board of Governor’s Student Equity Policy;
      Whereas the CCCCO has directed each college to develop specific goals/outcomes and
      actions to address disparities that are discovered, disaggregating data for indicators by
      student demographics;
      Whereas RHC has submitted a plan to the CCCCO that describes the implementation of each
      indicator, as well as policies, activities and procedures as they relate to improving equity
      and success at the college;
      Whereas our RHC institutional data has identified disproportionately impacted student
      populations across all indicators; now, therefore, be it
      Resolved, that the Academic Senate urges the RHC faculty to engage with and implement
      equity-minded practices to support the student equity efforts at RHC to create equitable
      outcomes for all the students we serve.
