Extended AccessRIO Faculty Q & A (waitlists, adding/dropping…)- Wray Theater  
Extended Facilities/Construction Q & A & Input session – LR 128  
Early Alert & Degree Works – M111  
Counseling & Student Development introduces two programs integrated into AcessRIO intended to enhance student success: a reinvigorated Early Alert System, a tool for instructors in developmental English and Math to direct potentially struggling students to academic success resources and Degree Works, a comprehensive degree auditing system for counselors and students, which can also help Deans more accurately gauge the number of sections needed for specific class offerings.  
Designing Effective Assessment Activities for your SLOs – S333  
This workshop introduces participants to the concept of authentic assessment and its application to the evaluation of Student Learning Outcomes. Topics include a comparison of traditional and authentic assessment; examples of authentic assessment activities; assessing with rubrics; and design of multiple-choice questions to gauge high-level learning. |

### 11:10-12:00
**Focused Breakouts**
- **Online FLEX Reporting System – Wray Theater**  
  This session will provide attendees with what they need to know in order to use our new campus wide online “FLEX Reporter” system. Following a demonstration of how to utilize faculty related functions of the program, a general FLEX Q & A will be available.

- **Emergency Preparedness & Safety – S 136**  
  Emergency management experts rely on the four phases of emergency management (Prevention, Mitigation, Preparedness Response) as an outline to assure that people are involved in the process of preparedness before, response during and recovery after an incident occurs. This session will provide an in-depth discussion of our campus emergency preparedness and conclude with a Q & A where suggestions and recommendations are welcomed.

- **“Shedding Light” on Developmental Education at Rio Hondo – LR 128**  
  “Developmental education” is often thought to pertain only to basic skills, or remedial, instruction and tutorial support. In a much wider sense, developmental education is about unleashing the full potential of a student. This would encompass all initiatives at Rio Hondo that seek to develop our students’ academic potential. At this session, we will shed light on developmental education at Rio Hondo and the efforts of the Developmental Education Task Force.

- **Lumins Continuing Education Registration Process – B110**  
  Continuing Education has just unveiled a new, easy-to-use registration system to help students browse, locate, and register for fee-based and life-long learning courses in minutes. Come see a demonstration on how this new system works, hear updates on the new, evolving mission of continuing education in the state and at Rio Hondo, and brainstorm with us in better serving the college and community needs!
