**D) Identification of Material To Be Changed and Rationale for Change:**

**From:** Current catalog page attached.

**To:** Competency in written expression (section 1 of the general education requirements for the Associate Degree) should be changed to "Credit earned in ENGL 101 with a 'C' or better."

**Reason:** English faculty unanimously felt the current competency requirement (a grade of "D" or better in ENGL 101 OR credit for ESL 198) was inadequate. A grade of "D" does not demonstrate competency, and ESL 198 is not equivalent in rigor to ENGL 101. Lastly, there are sections of ENGL 101 designed specifically to meet the needs of ESL students.

**Potential enrollment/current interest if applicable:**

# Associate of Arts Degree or Associate of Science Degree General Education Requirements

The following general education requirements for an Associate of Arts or Associate of Science degree must be completed and are part of the 60 units required for the degree.

**1. Competence in reading and written expression may be met by the following:**

- a. The reading requirement may be met by one of the following:
  - i. A satisfactory score on the Reading Placement Test
  - ii. Credit ("CR" grade) earned in READ 023 or higher level reading course

b. The written expression requirement may be met by one of the following:

- i. Credit earned in ENGL 101 or ESL 198 (for ESL students)
- ii. A satisfactory score on the CSU English Equivalency Exam (to be determined by the Division of Communications and Languages)

**2. Competence in mathematics may be met by one of the following:**

- a. Credit (C grade or better) in MATH 070 (Intermediate Algebra), MATH 060 (Geometry) or a higher level math course
- b. Demonstrate proficiency by a satisfactory score on the Rio Hondo College Math Proficiency Exam

**3. Physical Education-Minimum 2 classes.**

Any two physical education or dance activity courses. Effective 2006-2007 students who have completed a Fire or Police Academy from an accredited institution are automatically waived from this requirement. (Exemption may be granted to those students physically unable to complete this requirement. Exemption forms are available in the Health Office.)

**4. American Institutions Requirement\*- Minimum of one course:**

HIST 143, 144, 144H, 158, 159, 159H

**A.A. or A.S.  
Degree  
General  
Education  
Requirements**

DATE: 2/16/10  
TO: Curriculum Committee  
FROM: Jan LaTurno  
RE: Mathematics Graduation Requirement

This memo is a request for **AP exam scores of 3, 4 or 5 on AP Calculus AB, AP Calculus BC and AP Statistics** to be submitted for completion of the **Mathematics Graduation Requirement**.

Courses that satisfy this requirement are described as **a mathematics course that has a prerequisite of Math 50 (Elementary Algebra) or higher**

These **AP exam scores** meets this requirement as **all UC and CSU institutions use these scores to allow students to satisfy the Quantitative Reasoning requirements for graduation at their respective schools.**

**Please note: This request is NOT for these scores to fulfill any GE requirements for mathematics for transfer to a UC/CSU school. This specific request is only for graduation requirements at Rio Hondo College.**

Division approval for this request has been received and the minutes of the meeting in which this occurred have been forwarded to the Curriculum Committee.

### **§55806. Minimum Requirements for the Associate Degree (Applicable July 1, 1983).**

The governing board of a community college district shall confer the degree of Associate in Arts or Associate in Science upon a student who has demonstrated competence in reading, in written expression, and in mathematics, and who has satisfactorily completed at least 60 semester units or 90 quarter units of college work. This course work requirement must be fulfilled in a curriculum accepted toward the degree by a college within the district (as shown in its catalog). It must include at least 18 semester or 27 quarter units in General Education and at least 18 semester or 27 quarter units in a major as prescribed in this section. Of the required units, at least 12 semester or 18 quarter units must be completed in residence at the college granting the degree. Exceptions to residence requirements for the Associate Degree may be made by the governing board when it determines that an injustice or undue hardship would be placed on the student.

(a) Major Requirements. At least 18 semester or 27 quarter units of study taken in a single discipline or related disciplines, as listed in the Community Colleges "Taxonomy of Programs," shall be required.

(b) General Education Requirements.

(1) Students receiving an Associate Degree shall complete a minimum of 18 semester or 27 quarter units of general education, including a minimum of three semester or four quarter units in each of the areas (A), (B) and (C) and the same minimum in each part of (D). The remainder of the unit requirement is also to be selected from among these four divisions of learning or as determined by local option:

(A) Natural Sciences. Courses in the natural sciences are those which examine the physical universe, its life forms, and its natural phenomena. To satisfy the General Education Requirement in natural sciences, a course shall be designed to help the student develop an appreciation and understanding of the scientific method, and encourage an understanding of the relationships between science and other human activities. This category would include introductory or integrative courses in astronomy, biology, chemistry, general physical science, geology, meteorology, oceanography, physical geography, physical anthropology, physics and other scientific disciplines.

(B) Social and Behavioral Sciences. Courses in the social and behavioral sciences are those which focus on people as members of society. To satisfy the general education requirement in social and behavioral sciences, a course shall be designed to develop an awareness of the method of inquiry used by the social and behavioral sciences. It shall be designed to stimulate critical thinking about the ways people act and have acted in response to their societies and should promote appreciation of how societies and social subgroups operate. This category would include introductory or integrative survey courses in cultural anthropology, cultural geography, economics, history, political science, psychology, sociology and related disciplines.

(C) Humanities. Courses in the humanities are those which study the cultural activities and artistic expressions of human beings. To satisfy the general education requirement in the humanities, a course shall be designed to help the student develop an awareness of the ways in which people throughout the ages and in different cultures have responded to themselves and the

# Associate of Arts Degree or Associate of Science Degree General Education Requirements

The following general education requirements for an Associate of Arts or Associate of Science degree must be completed and are part of the 60 units required for the degree.

## A.A. or A.S. Degree General Education Requirements

### 1. Competence in reading and written expression may be met by the following:

- a. The reading requirement may be met by one of the following:
  - i. A satisfactory score on the Reading Placement Test
  - ii. Credit ("CR" grade) earned in READ 023 or higher level reading course.
- b. The written expression requirement may be met by one of the following:
  - i. Credit earned in ENGL 101 or ESL 198 (for ESL students)
  - ii. A satisfactory score on the CSU English Equivalency Exam (to be determined by the Division of Communications and Languages.)

### 2. Competence in mathematics may be met by one of the following:

- a. Credit (C grade or better) in MATH 50 (Elementary Algebra) or a higher level math course.
- b. Demonstrate proficiency by one of the following exams:
  - i. A satisfactory score on the Rio Hondo College Math Proficiency Exam
  - ii. A score of 500 or above on the math portion of the SAT
  - iii. A score of 22 or above on the ACT Math Test.

(It is the student's responsibility to provide verification to the Admissions and Records Office if any of the above requirements are met at another college or university.)

### 3. Physical Education-Minimum 2 classes.

Any two physical education or dance activity courses. Effective 2006-2007 students who have completed a Fire or Police Academy from an accredited institution are automatically waived from this requirement. (*Exemption may be granted to those students physically unable to complete this requirement. Exemption forms are available in the Health Office.*)

 READ 101  
 VOC 101, 102

*\* Any course taken to meet the American Institutions requirement may not be used to meet another general education requirement.*

*No course in the student's major department may be used to satisfy general education requirements.*

*Courses may be used to fulfill only one G.E. area.*

## A.A. or A.S. Degree General Education Requirements

Rio Hondo College  
Curriculum Committee

**COURSE/DEGREE/CERTIFICATE CHANGE FORM**

A) Course Information

**Title of Degree or Certificate:** Associate Degrees General Education Requirements

**Course Title (15 character limit):**

**Division/Department:** Mathematics / Mathematics and Sciences

**Subject Area:** Mathematics

**Course Prefix:**

**Course Number:**

B) Change Requiring Action (2 readings):

1.  Deletion from curriculum

4.  Transfer level

2.  Change in units/courses

5.  Merger/Modularization

3.  Course/Degree/Certificate Change

6.  Other

C) Change for Consent Agenda Purposes:

1.  Delete from catalog

4.  Preparation

2.  Title

5.  Description

3.  Prefix and/or Number

6.  Hours

7.  Certificate Type

8.  Minor modification or update of course outline for a course less than 3 years old.

D) Identification of Material To Be Changed and Rationale for Change:

**From:** 2. Competence in mathematics may be met by one of the following:

a. Credit (C grade or better) in MATH 50 (Elementary Algebra) or a higher level math course.

b. Demonstrate proficiency by one of the following exams:

i. A satisfactory score on the Rio Hondo College Math Proficiency Exam

ii. A score of 500 or above on the math portion of the SAT

iii. A score of 22 or above on the ACT Math Test.

**To:** 2. Competence in mathematics may be met by one of the following:

a. Credit (C grade or better) in MATH 70 (Intermediate Algebra), MATH 60 (Geometry) or a higher level math course.

b. Demonstrate proficiency by a satisfactory score on the Rio Hondo College Math Proficiency Exam.

**Reason:** To comply with new Title 5 math requirements effective fall 2009.

**Potential enrollment/current interest if applicable:**
