Subject: Unconscious Bias Training- Completion of Final Modules

Hello,

Last week, Kenn Pierson, Dyrell Foster and I met with one of our "Unconscious Bias" trainers, Reena Doyle to debrief our January workshop and discuss next steps.

Based on informal feedback, we have decided to offer you all the last two modules of "Cultural Competency" and Cultural Fluency" before attempting to repeat the training with other folks on campus.

Given the realities of our semester and Reena's suggestion that having a few months to reflect on the 1st part of the training tends to be most beneficial, our intent is to hold a 1 day session (likely Friday, 9:00am-4:00) in late summer or early fall. We would like your feedback on the following:

-Are you interested in participating in this follow-up training?

-If so, do you prefer **Thursday, August 15th** or **Friday, September 20th**?

Thank-you for your commitment to this important work!
