ATTN Roadrunners! All cans that were donated from November 1-13 will still go to our original location of the LA Food Bank; however, the victims of Super Typhoon Haiyan need our support! Typhoon Haiyan, known as Typhoon Yolanda in the Philippines, was one of the strongest tropical cyclones ever recorded, which devastated portions of Southeast Asia, particularly the Philippines, on November 8, 2013. It is the deadliest Philippine typhoon on record, killing at least 6,268 people in that country alone. Please join the ASRHC as we support those who are in desperate need of food.
