**LAND 095
INTRODUCTION TO LANDSCAPE DESIGN & MAINTENANCE**

3 Units/Advisory: READ 023 or appropriate assessment and ENGL 030 or ESL 197 or appropriate assessment DRAF 105.

This introductory landscape design course is designed for the non-scientist and specifically for amateur garden enthusiasts interested in learning landscape design from a professional landscape architect. The class is a comprehensive overview of general landscape design including topics of landscape design, hands-on design lessons and plant identification. There will be a field trip to a local nurseries or demonstration garden.

**LAND 102
INTRODUCTION TO LANDSCAPE ARCHITECTURE & DESIGN**

4 Units/Prerequisite: DRAF 101
Advisory: READ 023 or appropriate assessment and ENGL 030 or ESL 197 or appropriate assessment DRAF 105.

This introductory course is for students interested in the field of Landscape Architecture or Landscape Design. Fundamental principles and concepts essential to landscape design development will be introduced through lectures, readings, discussions, field trips, and assignments. Natural and human determinants that shape the landscape will be explored in addition to the study of the theory, history and role of the landscape architecture profession in environmental design.

EDUCATION

DIVISION OF SOCIAL SCIENCE, HUMANITIES & PHILOSOPHY

**ED 110
INTRODUCTION TO TEACHING**

3 Units/Advisory: ENGL 035 or ESL 198, READ 023 or appropriate assessment.

Transfers to: CSU, UC.

This course is designed to introduce students to the profession of teaching through lecture and observation of K-12 classrooms and public schools. The major aspects of the teaching profession will be examined, the diversity of the public school system will be discussed, and students will gain experience in all three levels of the K-12 system. This course is intended for students considering a career in teaching. Two hours of offsite classroom observations per week to be arranged.
