DIVISION OF CAREER TECHNICAL EDUCATION

AET 070

INTRODUCTION TO ALTERNATE ENERGY TECHNOLOGY

3 Units/Advisory: ENGL 035 or ESL 198 or appropriate assessment and READ 023 or appropriate assessment, MATH 030 or appropriate assessment.

This course is an introductory course that will examine the theory behind present day energy systems which will include an in depth analysis of the design and installation of alternate energy systems. Topics will include: solar electrical systems, wind electrical systems, solar water heating systems, wind mechanical systems, small hydro-electrical systems, and applications of alternate energy in transportation, industrial, commercial, and residential systems. Students will collect solar data using an irradiance meter and determine power consumption of typical residence to develop an alternative energy solution. This course is intended for students that are contemplating a career in the alternative energy industry.

HONORS

**ENGLISH 201H
ADVANCED COMPOSITION AND CRITICAL THINKING**

3 Units/Prerequisite: Completion of ENGL 101 with a grade of at least a "C" or better.

Transfers to: UC (credit limit *), CSU

(* Students will receive credit from UC for only one of the following courses: ENGL 201 or ENGL 201H)

This advanced composition course is open to all students who have successfully completed English 101 and is designed for those who expect to transfer to four-year colleges or universities. Students will read and write extensively, while applying critical thinking skills and research techniques. Students will demonstrate these abilities in advanced composition as they research and write a series of argumentative essays, which demonstrate the ability to analyze issues, evaluate positions, and argue persuasively through clear, concise prose.

This Honors section is open to all students who have completed English 101 with a grade of "C" or better. Students will be expected to analyze issues in more depth and write on them at greater length than they would in a non-honors section. Honors section requirements: Continuing students, successful completion of English 101. Beginning students are not eligible to take English 201H.

IMPORTANT NOTICE CONCERNING ESL 027, 197, AND 198
Students who want to register for ESL 027, ESL 197, or ESL 198 should be aware that, if they have not met the prerequisite, they will be informed that they are not allowed to register in these courses (the course is blocked). Students who may register for these courses include the following:

- Students currently enrolled in the previous courses (ESL 010, ESL 027, or ESL 197). You will be allowed to enroll in the next level course pending a final grade of "CR" (Credit). Talk to your instructor before you enroll.
 - Students who have placed into ESL 027, ESL 197, or ESL 198 through the Rio Hondo assessment process.
 - Students who have completed the previous course with a grade of "CR" or passed the Rio Hondo ESL Common Final.
- The following students should bring assessment results, grade reports, and/or transcripts with them to see a counselor, Admissions and Records staff, or the Dean of Communications & Languages in A219 at 562-908-3429:
- Students who have completed the equivalent previous ESL course at another college or university.
 - Students who have been assessed by the state college or university system.

Students wishing to appeal their Rio Hondo ESL assessment placement or challenge the prerequisite to ESL 027, ESL 197, or ESL 198 should contact a counselor or the Dean of Communications & Languages in A219 at 562-908-3429.

ESL 010 (FORMERLY ESL 036)

ENGLISH AS A SECOND LANGUAGE

3 Units/Prerequisite: Appropriate placement through the Rio Hondo assessment process.

This course is designed to help limited English-speaking students communicate better in English. The course focuses on the development of both verbal and written skills. Topics specifically emphasized are pronunciation, conversation, idiomatic expressions, listening, vocabulary, reading, and writing. These are taught at an entry level. This course is offered on a credit/no credit basis and is not applicable to the degree. One hour of language lab per week to be arranged.
