

Medical, continued

CPT Coding

This course teaches students the ins and outs of CPT 95 coding and HCPCS coding. ICD-9 coding will enable one to code the procedure performed by the physician for maximum reimbursement. Learn to use the most complete and up to date codes and modifiers. This course will be valuable for the beginner and the current biller. Prerequisites: Medical Terminology and ICD-9 Coding.

Books are available at the Rio Hondo College Bookstore located on the 1st floor of the science building. Please purchase prior to class.

Session 1

Date: Feb 8 & 10
50082 Mon/Wed 7:00-10:00pm
\$120*

Session 2

Session 2

Date: May 19 & 20
50125 Wed/Thu 7:00-10:00pm
\$100*

Instructor: Sue Mardirosian

*Material Fee: \$25 payable to the instructor, cash or check only

Pharmacy Technician Program

This course is designed to prepare the student for eligibility to become a Registered Pharmacy Technician in the State of California. As a Pharmacy Technician you will help the pharmacist package or mix prescriptions, maintain client records, refer clients to the pharmacist for counseling, assist with inventory control and purchasing, as well as collect payment and coordinate billing. This course combines 182-hours of classroom instruction with a 120-hour pharmacy externship to provide you with a complete learning experience. (Total – 302 Hours).

Covers books, consumable supplies, externship, and course completion certificate.

Financial Assistance: Students with a need for financial assistance may...

Contact SLM Financial for a loan, the application process is easy! Submit it online at <http://www.salliemae.com/content/landing/slmschools/index.html> and receive a decision within 30 seconds. Or for assistance, call (888) 272-4665. Apply for an extended payment plan from TFC <https://secure.adultedreg.com/brloanapp/loanapp.ht>.

Community Job Survey: Starting pay \$10-20 per hour. Because of the increased pharmaceutical needs of a larger, older population, growth in this occupation will be almost as fast as the average for all others in the state.

Certification: Upon completion graduates will receive a certificate of completion and become eligible to apply for registration as a Pharmacy Technician in the State of CA.

Schedule: Designed for working adults, classes held on Saturdays. Pharmacy externships coordinated by Boston Reed.

Prerequisites: Minimum 18 years of age and high school completion or its equivalent.

Dates: May 22, 2010 – Jan 8, 2011
No Class May 29, Jul 3, Aug 14, Sep 4, Nov 27, Dec 25, Jan 1
50164 Sat 9:00am - 4:30 pm
\$2,745

(182 classroom hrs, 120 externship hrs coordinated by Boston Reed College)

Instructor: Boston Reed Staff
