September 22, 2017
Addendum No. 2
Bid No. 2058 - Hot Water Supply and Return Lines Leak Repair Project

The following changes, additions, deletions or corrections shall become a part of the Contract Documents for the project named above and all other terms and conditions shall remain the same. The bidders shall be responsible for transmitting this information to all affected subcontractors and suppliers prior to the closing of bids.

1. **Statement of Work**

   A. **Scope:**

   Contractor shall do the following:

   1. Supply tools, equipment and labor necessary to remove concrete encasement around the SUPPLY and RETURN hot water lines located at corner radius directly in front of Central Plant and Maintenance Yard.
   2. Expose pipe leaks.
   3. Cut out 8 – 9 feet of 8" SUPPLY and RETURN fiberglass pipe that is leaking and replace with new material.
   4. Cut out 2" elbow/piping that is leaking and replace with new material.
   5. Clean work area.

   **NOTES:**

   i. Work to be performed in a slow and cautious, controlled manner so as to not penetrate or disturb existing fiberglass piping.

   B. **Deductive Alternate(s):**

   1. Furnish and install slurry mix to encase the newly repaired piping and cover the hole.
   2. Restore surface soil to grade using adjacent stockpiled materials.
NOTES:

i. For purpose of this bid, “slurry mix” is defined as a mixture of two (2) sacks of cement per cubic yard of sand and water.

ii. Slurry mix should cover the repaired piping a minimum of 12 inches to stabilize and prevent accidental penetration damage.

The following is added to the Statement of Work.

F. Bidder Qualifications:

The District requires that Bidder (Prime Contractor or Subcontractor) submitting a bid shall have verifiable demonstrated experience in fiberglass pipe repair.

2. Bid Packet

1.14 Bidder’s Qualifications. Each Bidder shall submit with its Bid Proposal a Statement of Bidder’s Qualifications (See Exhibit A of this Addendum No. 2). All information required by the Statement of Bidder's Qualifications shall be completely and fully provided. Any Bid Proposal not accompanied by the Statement of Bidder’s Qualifications completed with all information required and bearing the signature of the Bidder’s duly authorized representative under penalty of perjury will render the Bid Proposal non-responsive and rejected. If the District determines that any information provided by a Bidder in the Statement of Bidder's Qualifications is false or misleading, or is incomplete so as to be false or misleading, the District may reject the Bid Proposal submitted by such Bidder as being non-responsive.

3. Updated Section 00520 – DVBE Participation Goal

See Exhibit B of this Addendum No. 2.

Sincerely,

[Signature]
