1. **Background about Rio Hondo College:**

   Rio Hondo Community College ("District") was established in 1961. The District primarily serves residents of Whittier, El Monte, South El Monte, Pico Rivera and Santa Fe Springs; residents of unincorporated Los Angeles County; and several cities outside District boundaries. The District also provides transfer, vocational, and short-term courses for roughly 15,500 full-time equivalent students; is fully accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges; is governed by an independent five-member governing board who are elected at large for four-year terms; and administered by the Superintendent/President, who is appointed by the Governing Board.

2. **Objective and Overview of the Project:**

   **A. Objective**
   
   The District is soliciting proposals from qualified firms ("Consultant") to provide independent audit services for the District and Proposition 39 Bond Financial and Performance audits; as described in Exhibit A ("Scope of Work").

   **B. Overview**
   
   1. The District accounts for its financial transactions in accordance with the policies and procedures of the California Community Colleges Budget and Accounting Manual. The accounting policies of the District conform to generally accepted accounting principles as applicable to government agencies. Audits shall conform to the reporting requirements of the California Community Colleges Contracted District Audit Manual.

   2. The accounts of the District are organized on the basis of funds or account groups, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, liabilities, fund balance, income and expenditures.

   3. The District administers specially funded projects under grants and contracts with various federal and state agencies.

   4. The basis of accounting generally requires the utilization of the modified accrual basis of accounting, wherein expenditures are recorded at the time of payment and income is recorded when received in cash, except for fiscal year-end when goods and services received and revenue earned may be accrued to reflect appropriate expenditures and income of the current year. However, the information will need to be converted to full accrual at year-end in accordance with GASB 34/35 for financial reporting purposes. The California Community College Chancellor’s Office has recommended all State Community Colleges follow the Business-Type Activity (BTA) model for financial statement reporting purposes.

   5. Qualified employees are covered under contributory retirement plans maintained by agencies of the State of California State Teachers’ Retirement System (STRS) for instructional employees and Public Employees Retirement System (PERS) for classified employees. District contributions to these plans are currently paid or accrued based upon qualified employees’ salaries.

   6. The District is completely insured through ASCIP joint powers agreements (JPA) for workers’ compensation and property and liability insurance. The District also participates in the two (2) other JPA’s.

   7. The District accounts for auxiliary operations through the Auxiliary Services Organization and Associated Student Body.

   8. The District is primarily financed by apportionments from the State, property taxes received, and enrollment fees. The District uses the services of the County of Los Angeles for the assessment and collection of taxes. District taxes are collected at the same time and on the same tax rolls as are county, city and special district taxes.
9. In 2004, voters approved Measure A, a $254 million general obligation bond for the purpose of financing the construction, acquisition and improvement of capital facilities within the District.

10. The District has a Foundation and a separate audit issued by a different auditor.

11. Board Policy 6400 requires the District to hire an outside Certified Public Accountant to audit all funds, books and accounts of the District in accordance with the California Code of Regulations of Title 5. Multi-year contracts shall not exceed five (5) years.

12. Notwithstanding other provisions of this RFP, Bidders are hereby advised that this RFP is an informal solicitation of Proposals only. It is not intended, nor is it to be construed as engaging in formal competitive bidding pursuant to any statute, ordinance, policy or regulation.

This multiyear contract will be null and void if the Auditing Firm or individual is declared ineligible to audit districts pursuant to subdivision (c) of Section 41020.5. The amount withheld is not payable unless payment is ordered by the California Board of Accountancy or the audit report for that subsequent year as certified by the Controller as conforming to reporting provisions of subdivision (a) of Section 14503 [EC Section 14505(b)].

2. Supplemental Compensation and Additional Services

i. If during the course of the audit examination, the Consultant finds any unusual item or circumstance which, in the Consultant's opinion, warrants an immediate detailed investigation, the same will be reported in writing to the District to the attention of the Superintendent/President. If the District determines that a more detailed verification is required than that which would be required under ordinary circumstances, a written authorization will be provided to the Auditor by the District.

ii. Additional services are not within the scope of services to be performed pursuant to this Agreement. However, if additional services are required and authorized, the Agreement will be amended to reflect the additional services and supplemental compensation shall be at the hourly rates provided with the Proposal response applicable for the then-current audit year. If the additional work is not authorized by the District, the audit report may be qualified according to the circumstances involved. The District may also request the Consultant to perform work or render services in addition to those which are usual and customary in making an examination of books and accounts. If such work is performed by the Consultant, the Agreement will be amended to reflect the scope of the work to be done. Compensation for such work shall be at the hourly rates applicable to the then-current audit year.

Article 26. **Severability**. If any term, condition or provision of this Agreement is held by a court of competent jurisdiction to be unenforceable, invalid, or void, the remaining provisions will nevertheless continue in full force and effect and shall not be affected, impaired or invalidated in any way.

Article 27. **Entire Agreement/Amendment**. This Agreement and any exhibits attached hereto constitute the entire agreement between the parties and supersedes any prior or contemporaneous understanding or agreement with respect to the services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.
