INFORMATION AND GENERAL CONDITIONS

Definitions
The term “Rio Hondo” as used herein shall be construed to include the Rio Hondo College District, Rio Hondo College, Rio Hondo Board of Trustees, and all employees, officers, and agents of the District.
The Firm or Contractor is named as such in the contract documents and is referred to in generic terms as if of singular number. Firm or Contractor is used interchangeable.

Preparation of Bid Documents
Interested Contractors may submit a Bid in a sealed envelope. The envelope shall be prominently marked with the Request for Bid number, title, due date, deadline for submitting Bid and the name of the entity submitting the Bid.

Bid shall be submitted by no later than **May 12, 2016, before 2:00pm**. It is the sole responsibility of the person submitting the Bid to see that it is delivered on time.

Bids shall be mailed or delivered to the attention of Myeshia Armstrong, Vice President of Finance and Business, Rio Hondo College, 3600 Workman Mill Road A-122, Whittier, CA 90601-1699.

The District will time stamp all Bids submitted. For the purpose of determining the time that a Bid is submitted, the District time clock shall be the controlling factor. BID submittals received after the specified time and date will not be considered and will be returned unopened to the sender. Responses to this BID must follow the format described in this BID.

Signature
Bids shall be signed by an authorized individual or officer of the Firm submitting the Bid. If the Firm is a corporation, the Bid and any attachment thereto shall be executed by either the chairman of the board, president, or vice president, and if a different individual, also by the secretary, chief financial officer or assistant treasurer.

Completion of Bids
Bids shall be completed in all respects as required by the instructions herein. A Bid may be rejected if it is conditional or incomplete, or if it contains alterations of form or other irregularities of any kind. A Bid will be rejected if, in the opinion of the District, the information contained therein was intended to erroneously and fallaciously mislead the District in the evaluation of the Bid.

Erasures
The Bid submitted must not contain erasures, interlineations, or other corrections unless each correction is authenticated by signing in the margin, immediately opposite the correction, the name of the person signing the Bid.
Examination of Contract Documents
Firms shall thoroughly examine the contents of this BID. The failure or omission of any Firm to receive or examine any contract document, form, instrument, addendum, or other document shall in no way relieve the Firm from obligations with respect to this BID or to the contract to be awarded. The submission of a Bid shall be taken as prima facie evidence of compliance with this section.

If the Firm discovers any ambiguity, conflict, discrepancy, omission or other errors on the BID, he shall immediately notify the District of the error in writing and request modification or clarification of the document within the RFI deadline. Clarifications shall be given by written notice to all Firms participating in the BID, without divulging the source of the request for the same. Modifications shall be made by addendum issued by the District.

If a Firm fails to notify District if an error in the BID before the date scheduled for submission of Bids, or of an error, which reasonably should have been known to him, he shall submit the Bid at their own risk. If the contract is awarded to the Firm, he shall not be entitled to additional compensation or time by reason of the error or its subsequent correction.

Confidential and Proprietary Information
All materials received relative to this BID will be kept confidential until such time an award is made or the BID is canceled. At such time, all materials received must be made available to the public. If any part of any firm's Bid is proprietary or confidential, the firm must so identify and so state. However, any information that must be used by District to aid in Bid selection must be restricted from the public. District reserves the right to retain all Bids submitted. Any restrictions on the use of hardware or software proposed, arising from the use or incorporation of confidential and/or proprietary information or materials, must be clearly stated in the Bid.

Addenda
District may modify this BID before the date scheduled for submission of Bids by issuance of an addendum to all parties who received the BID for the purpose of submitting a Bid. Addendum shall be numbered consecutively as a suffix by the BID reference number. (For example, the first addenda would be BID A-1).

Modification of BID Response
No amendment, addendum or modification will be accepted after the Bid has been submitted to the District. The audit Bid may be modified after its submission by written notice to the District of withdrawal and resubmission before the date and time specified for receipt of Bids. Modifications will not be considered if offered in any other manner.

Withdrawal of Bids
The BID may be withdrawn by submitting a written request to the District at any time before the deadline date scheduled for Bid submission. The Firm may thereafter submit a new Bid before the deadline date for Bid submission. Bids may not be withdrawn after the Bid submission date for a period of ninety (90) days.
Rejection of Bids
The District reserves the right to reject any or all Bids received in response to the BID or to negotiate separately with any Firm when it is determined to be in the best interest of the District to do so.

Misunderstandings
The BID documents will be clarified by District upon written request from a firm. District’s decision shall be final in any matter of interpretation of the documents.

Requests for Clarification
To control information disseminated regarding this BID, parties interested in submitting Bids are directed not to make personal contact with members of the Board of Trustees or the District Administration.

All requests for information and/or clarification must be in writing and received by the District no later than 12:00 Noon, April 29, 2016 and shall be faxed or emailed to:

James L. Poper, Director, Facilities Services, at 562-463-4654, or jpoper@riohondo.edu.

Prohibited Interest:
No official of the District who is authorized in such capacity and on behalf of the District to take part in negotiations or to make, accept or approve this contract, shall not have direct or indirect financial interest in the award or any part thereof. Bidder shall receive no compensation hereunder should bidder aid, abet or knowingly participate in violation of this article. For breach or violation of this article, the District shall have the right to terminate the contract either in part or in whole and any loose or damage sustained by the District in procuring the services on the open market which the Contractor agreed to supply, shall be borne and paid for by the Contractor.

Award of the Contract
If the contract is awarded, it will be to the responsive, responsible Firm with the lowest price. It is anticipated that award of the contract will be made within ninety (90) working days after the submission of Bids. If award cannot be made within this time period, the Firms will be requested, in writing, to extend the time period during which the firm agrees to be bound by his Bid. Written notification will be made to unsuccessful Bidders.

Error in Bid
Bids shall be bound by the terms and conditions of the Bid, notwithstanding the fact that errors are contained therein. However, if material errors are found in a Bid, District will notify the firm that the Bid, as submitted, appears to contain errors and require the firm to correct the errors.
Workers’ Compensation
In accordance with the provision of Section 3700 of the Labor Code of the State of California, each firm shall sign and file with District the following certificate before performing the work under the contract:
“I am aware of the provisions of Section 3700 of the Labor Code, which requires every employer to be insured against liability for workers’ compensation or to undertake self insurance in accordance with the provisions of that code before commencing the performance of the work of the contract.”

Covenant Against Contingent Fees
The firm warrants that no person or selling agency has been employed or retained to solicit or secure the contract to be executed as a result of the BID upon an agreement of understanding for a commission, percentage, brokerage or contingent fee, except bona fide established commercial or selling agencies, which are so declared and maintained by the firm for the purpose of securing business.

For breach or violation of this warranty, the District shall have the right to terminate any contract that may be entered into with the Firm and, in its sole discretion, to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fees.

Compensation
District shall pay the Firm an amount not to exceed the maximum cost proposed in the BID. Invoices shall be submitted monthly to the Facilities Services Department, representing the Work complete for that previous month. Invoices will be reviewed by the Director of Facilities, and if approved, will be recommended for payment to the Vice President - Finance and Business for review and processing.

Firm’s Obligation to Perform Work in Accordance with Standards
If the work performed by the Firm is not in accordance with the standards as specified herein, or if the work product submitted by the Firm are not complete. The Firm, at no additional cost, shall complete the work to the satisfaction of the College.

Insurance and Indemnification
The Firm shall hold harmless and indemnify the District and all officers, agents, employees, and members of the District from and against any such actions, suits or other proceedings.

Independent Contractor Status
It is expressly understood that the Firm named in any contract entered into by the District is acting as an “independent contractor” and not as an agent or employee of the District.

Assignment of Contract
The Firm shall not assign or transfer, by operation of law or otherwise, any or all of the Firm’s rights, burdens, duties, or obligations with regard to this Agreement, without prior written consent of the District.
Insurance
Firm shall maintain public liability and property damage insurance in the amount of no less than One Million Dollars ($1,000,000) combined single limit, which shall be primary over any other insurance carried by District. The Firm shall also maintain Errors and Omissions coverage of no less than One Million Dollars ($1,000,000). Firm shall not commence work under the Contract until he had obtained all required insurance and certificates of insurance have been delivered to, and approved by the Director, Purchasing. Certificates of insurance shall include the following clause:
“This policy shall not be canceled or reduced in required limits of liability until written notice has been given to the District of such cancellation or reduction. The date of cancellation or reduction shall not be less than sixty (60) days after the date the notice is given.”
Certificates of insurance shall name the Rio Hondo Community College District, Rio Hondo College and the Rio Hondo Board of Trustees as additional insured’s. In addition, said certificates shall state the extent of insurance, the locations and operations to which insurance applies, and the expiration date of the insurance.

Permits and Licenses
The Firm, its employees and agents, shall secure and maintain valid certifications and licenses as require by law for the execution of services pursuant to the contractual terms.

Termination of Agreement
District may terminate the Agreement at any time without penalties by providing Firm with 30 days written notification.

Termination for Nonperformance
If the Firm fails to perform services as required including furnishing properly trained personnel, or if he should be adjudged bankrupt, or if a receiver should be appointed on account of his insolvency, or should fail to provide services as required, then District may, with prejudice to any other right or remedy, or penalties, serve written notification of intention to terminate the Agreement. Such notice shall contain the reasons for such intention to terminate.
SCOPE OF WORK

The scope of Work includes all labor, materials, tools, appliance, equipment, and facilities necessary to do all of the Work noted in the Scope. All Work shall be done concurrently and to the satisfaction and under the supervision of the Director of Facilities Services or authorized representative. The scope of Work for Emergency Generator and Data Center HVAC Upgrades includes, but is not limited to the following; HVAC equipment and electrical repair, replacement and modification of existing systems as follows:

Emergency Generator Upgrade
- Administration facility will have its current power generator unit replaced.
- The room with the existing generator shall be fully demolished and will become the emergency power distribution room.
- The new generator, GDA-1, will be placed outside for safety reasons and will be placed in parking lot F. It will take two existing parking stalls to provide ample service access to the generator and to safeguard it from vehicular traffic.
- The new generator feeders shall be routed up the slope as shown on plans in encased concrete cast in place over 95% compacted soil.
- Above the concrete casement, the fill to sub-furnished service shall be fully filled with two-sack slurry cement with red pigmentation.
- Such pigmentation shall be mixed with the slurry throughout and shall be fully visible.
- The generator, GDA-1, shall be placed above a three point precast vault with service access and a 10 ft. gravel drywall to collect any storm water that may accumulate within the vault.
- Vault shall be leveled with surface. Housekeeping pad shall extend to curb and available parking area stall and adjacent curb.
- Four removable and lockable 48” aboveground bollards shall be installed in each extremity of the generator housekeeping pad.
- The new generator, GDA-1, will connect to the revised emergency power distribution room via an aboveground pull box exterior of the building connecting to the encased concrete termination at the building and providing a 4 ft. diameter radius to large conduits.
- The pull box shall be rated as NEMA 3R with hinged door, two padlock locations, and an open-handle. It must be marked with a laminated riveted affixed sign “For Authorized Personnel Access Only:” in 4”x 12”.

The emergency power distribution from the following requirements shall be included:

A. Three auto-transfer switches
B. One 75 kVA transformer 277/480V to 120/208V
C. Four future emergency local subpanels
D. One fused disconnect for providing the AHU-1 fan (please refer to partial electrical single level diagram on sheet E002)
E. Generator exercise and signal conduits with pilot lights, alarm, and 3” chart recorder
F. Three 120V 15 A circuits with a remote annunciator shall be rooted to the generator.
G. The only initial loads connected to the emergency power generator loads shall be:
   a. 120V to the generator, GDA-1
   b. Generator control signal cabling
   c. Generator power to AT1, 2, 3 and power to the transformer, the two 277/480 subpanels from AT1, the fused disconnect to AHU-1 from AT2, and (1) 120/208V panel and (1) 277/480V panel attached to AT3.
   d. ATS normal power shall connect to existing distribution board DR1 in separate circuits
Data Center HVAC Upgrade

- All HVAC and CRAC units at Data Center adjacent offices will be fully replaced.
- All existing ceiling duct work and grilles shall be entirely removed.
- All walls shall be patched and filled with finishes equal to existing.
- The Data Center raised floor shall receive two 5 ton Liebert AC units, CAC-1 and CAC-2, replacing existing CRAC units. The companion Liebert condensing units, CCU-1 and CCU-2, shall be mounted at the same elevation, utilizing existing equipment framing in the loading dock. See sheet M101 for further details.
- Locations are adjusted for new operation.
- The raised floor in the data room shall be thoroughly cleaned with a professional HEPA vacuum cleaner before and after construction.
- New perforated floor tiles shall be installed to match existing. See plans.
- New non-perforated tiles shall be placed in areas that required solid tiles to match existing.
- The Liebert condensing units, CCU-1 and CCU-2, shall be mounted at the loading dock at the location of the existing heat pump.
- The office cooling and heating to Data Center vicinity offices shall be provided by a Trane Variable Refrigerant Flow System (VRF), utilizing both ceiling recessed and wall mounted cassettes (CC and TC) with outside air ducts directly connected to cassettes. See new OA Fan, SF-1, with ECM connected to building automation.
- Each indoor TC and WC shall be controlled by a MFR wireless remote to control individual fan speeds and zone temperatures. Velcro shall be adhered to both the wireless remote and the same room wall or desk for convenient storage.
- Each CO₂ sensor shall pass through a low signal select to adjust the fan speed to achieve 700 PPM (FA) at every zone. CPA internal via virtual point shall be initially set at 700 PPM and controlled by an automatically tuned PI algorithm.
- The VRF unit shall be located outside in a location adjacent to the existing power generator. Two new 4” rigid metallic conduit for routing of refrigerant lines and power to VCU-1 shall be installed. See sheet M101 for further details.
- Coring of concrete sidewall shall be required for outside air ventilation and VRF unit conduit and pipe routing. Please ascertain that coring does not cut through any rebar or internal metal tendons in concrete work. This process may require X-Ray through concrete.

Contractors bid to include within the Bid a District controlled allowance of $25,000.00 for unforeseen conditions. Contractor shall submit Allowance Request Proposals for approval to the District if this allowance is to be utilized.

Refer to all Electrical and Mechanical Contract Documents for full project scope.

**TIME FOR COMPLETION:** The DISTRICT may give a notice to proceed within ninety (90) days of the award of the Bid by the DISTRICT. Once the CONTRACTOR has received the notice to proceed, the **CONTRACTOR shall complete the work within 61 consecutive calendar days.** Time is of the essence. The undersigned agrees that failure to complete the work within the time set forth herein will result in the imposition of liquidated damages for each consecutive calendar day of delay, per Phase, in the amount of **One Thousand Dollars ($1,000) per day.** (Government Code Section 53069.85)

- In the event that the DISTRICT desires to postpone giving the notice to proceed beyond this ninety (90) day period, it is expressly understood that with reasonable notice to the CONTRACTOR, giving the notice to proceed may be postponed by the DISTRICT. It is further expressly understood by the CONTRACTOR, that the CONTRACTOR shall not be entitled to any claim of additional compensation as a result of the postponement of giving the notice to proceed.

If the CONTRACTOR believes that a postponement will cause a hardship to it, the CONTRACTOR may terminate the contract with written notice to the DISTRICT within ten (10) days after receipt by the CONTRACTOR of the DISTRICT’s notice of postponement. It is further understood by the CONTRACTOR that in the event that the CONTRACTOR terminates the Contract as a result of postponement by the DISTRICT, the DISTRICT shall only be obligated to pay the CONTRACTOR for work performed by the CONTRACTOR at the time of notification of postponement. Should the CONTRACTOR terminate the contract as a result of a notice of postponement, the DISTRICT shall have the authority to award the contract to the next lowest responsible Respondent.

- It is understood that the DISTRICT reserves the right to reject any or all Bids and/or waive any irregularities or informalities in this Bid or in the Bid process. The CONTRACTOR understands that it may not withdraw this Bid for a period of ninety (90) days after the date set for the opening of Bids.

- The required Non-collusion Declaration is attached hereto.

It is understood and agreed that if written notice of the acceptance of this Bid is mailed, telegraphed, or delivered to the undersigned after the opening of the Bid, and within the time this Bid is required to remain open, or at any time thereafter before this Bid is withdrawn, the undersigned will execute and deliver to the DISTRICT a contract in the form attached hereto in accordance with the Bid as accepted, and that he will also furnish and deliver to the DISTRICT the Performance Bond and Payment Bond, all within five (5) calendar days after receipt of notification of award, and that the work under the contract shall be commenced by the undersigned Respondent, if awarded the contract, by the start date provided in the DISTRICT’s Notice to Proceed, and shall be completed by the CONTRACTOR in the time specified in the contract documents.

HAZARDOUS MATERIALS

Discovery of Hazardous Materials.

In the event the Contractor encounters or suspects the presence on the job site of material reasonably believed to be asbestos, polychlorinated biphenyl (PCB), or any other material defined as being hazardous by § 25249.5 of the California Health and Safety Code, which has not been rendered harmless, the Contractor shall immediately stop Work in the area affected and report the condition to the District and the Architect in writing, whether or not such material was generated by the Contractor or the District. The Work in the affected area shall not thereafter be resumed, except by written agreement of the District and the Contractor, if in fact the material is asbestos, polychlorinated biphenyl (PCB), or other hazardous material, and has not been rendered harmless. The Work in the affected area shall be resumed only in the absence of asbestos, polychlorinated biphenyl (PCB), or other hazardous material, or when it has been rendered harmless by written agreement of the District and the Contractor.

Hazardous Material Work Limitations.

In the event that the presence of hazardous materials is suspected or discovered on the Site (except in cases where asbestos and other hazardous material work in the Contractor’s responsibility), the District shall retain an independent testing laboratory to determine the nature of the material encountered and whether corrective measures or remedial action is required. The Contractor shall not be required pursuant to Article 7 to perform without consent any Work in the affected area of the Site relating to asbestos, polychlorinated biphenyl (PCB), or other hazardous material, until any known or suspected hazardous material has been removed, or rendered harmless, or determined to be harmless by District, as certified by an independent testing laboratory and approved by the appropriate government agency.

Indemnification by Contractor for Hazardous Material Caused by Contractor.

In the event the hazardous materials on the Project Site is caused by the Contractor, the Contractor shall pay for all costs of testing and remediation, if any, and shall compensate the District for any additional costs incurred as a result of Contractor’s generation of hazardous material on the Project Site. In addition, the Contractor shall defend, indemnify and hold harmless District and its agents, officers, and employees from and against any and all claims, damages, losses, costs and expenses incurred in connection with, arising out of, or relating to, the presence of hazardous material on the Project Site.

Terms of Hazardous Material Provision.

The terms of this Hazardous Material provision shall survive the completion of the Work and/or any termination of this Contract.
