Login to myprint.riohondo.edu with your AccessRIO login and click on "Web Print." Now click on "Submit a Job."

Pick a printer, then click on "Print Options." Choose the file(s) you want printed (allowed types listed bottom left) then click "Upload & Complete."

The website will show you how many pages you've printed and the cost of printing them.

Go to the Release Station as normal and release your job(s) to print.
Now you can print from anywhere to the Library!
