# HIGH SCHOOL Outreach

Hello high school students! Did you know Rio Hondo College has a great team of Outreach Representatives and counselors who visit local high schools on a weekly basis? Visit your high school college center to learn more about our visits. We can also assist you by phone at **(562) 463-4693** or via email at **outreach@riohondo.edu**.

## Our friendly Outreach Representatives can assist you with the following:

- ▶ How to register for classes at Rio Hondo while you are in high school to earn college credit. These college courses are FREE and make you a competitive student for universities!
- ▶ Seniors! As you get ready for graduation and college, let us walk you through the steps for enrollment. Our Outreach team will guide you through the admissions application process, placement test, orientation and educational plan. These requirements need to be completed if you plan to attend Rio Hondo College. We are committed to assisting you to successfully transition to college.
- ▶ Let us explain how the community college system really works! Learn how you can complete your general education classes while still pursuing the goal of transferring to a four-year university.

## FIRST YEAR SUCCESS CENTER

The First Year Success Center is a place to enhance the academic success of all first-year students at Rio Hondo College through a network of student support services. We encourage all first-year students and recent high school graduates to begin their college journey here!

**Location:** Learning Resource Center (LRC) Building, 101, (562) 463-6650

# RIO HONDO COLLEGE BACCALAUREATE AUTOMOTIVE DEGREE PROGRAM

This program builds on the college's existing Associate of Science (A.S.) degree program in Automotive Technology. Our A.S. program — which is well aligned with the automotive industry both regionally and nationally — provides a solid foundation for the development of the new bachelor's program. Successful candidates for employment within organizations requiring a baccalaureate degree in this field need high-level advanced automotive technology skills and knowledge. Graduates need to be technically competent and possess strong interpersonal skills, such as the ability to communicate effectively, solve problems, work in teams and pursue continued professional development. The primary goal of the Bachelor of Science in Automotive Technology is to provide the automotive industry with employees with these skills. Students will receive training in various business, management and technical courses such as managerial accounting, leadership, marketing, advanced vehicle systems design and performance. Other courses will emphasize communication, business and technical writing, and human relations.

In Fall 2016, Rio Hondo began offering the junior-level (300 level) courses in the Automotive Technology program, as well as the upper-division general education courses. Admission is open to students who hold a two-year Automotive Technology degree and meet required prerequisites.

## PATHWAY TO LAW

Pathway to Law School is a unique program established by California's Council on Access and Fairness to assist first-generation college students interested in learning more about careers in the legal field and going to law school. The initiative is designed to enhance opportunities and advancement in the legal profession for diverse populations. Ideally, students will spend two years at Rio Hondo College before transferring to an accredited undergraduate institution to complete their bachelor's degree. They will then be considered for a priority admissions review to the six participating law schools.

### Participating Law Schools

- ▶ University of Southern California
- ▶ University of California, Irvine
- ▶ University of San Francisco
- ▶ Loyola Marymount University
- ▶ University of California, Davis
- ▶ Santa Clara University

### Benefits for Participants

- ▶ Individual counseling and mentoring
- ▶ Exposure to different careers in law
- ▶ Networking and learning opportunities
- ▶ Membership in student Pre-Law Society (club)
- ▶ Law School Application Fee Waivers
- ▶ LSAT Test Prep Support
