For Online Services, including registration, scholarship info and more, go to www.riohondo.edu
Rio Hondo College offers students the skills to prepare for the future, whether they’re looking to transfer to a university or earn credentials for their careers, and does it at a fraction of the cost of other higher-learning institutions.

**We Can Help**

Rio Hondo has a full array of specialized support programs, including:

- **Transfer Center** – Facilitates a smooth transfer process for students looking to attend universities nationwide.
- **Career Center** – Helps students find the right career path, land internships and more.
- **Extended Opportunity Program & Services** – Provides to students with economic and educational challenges innovative and compassionate services.
- **Disabled Students Programs & Services** – A full range of support services for students with disabilities.

**51% of Rio students plan to transfer**

**Honors Transfer Program Helps University-Bound Students**

The Honors Transfer Program connects highly motivated students with guidance and support as they prepare to transfer to four-year universities. The rigorous program gives students an edge with enhanced considerations at partner campuses, low student-teacher ratios, and personalized counseling, scholarship opportunities and more.
