III. ACTION ITEMS

A. FINANCE & BUSINESS

5. Architectural Engineering Services for the STARS Center Renovation and New Construction – QUATRO Design Group

This item was moved out of order to the beginning of the Action Agenda.

72. It was moved by Mr. Mendez, seconded by Mr. A. Quintero and carried unanimously, that the Board of Trustees approve the Architectural/Engineering Services for the STARS Center renovation and new construction to QUATRO Design Group, Inc., in the amount not to exceed $170,000 and authorize the Superintendent/President or designee to sign the contract on behalf of the District.

1. Consultant Services

73. It was moved by Mr. Mendez, seconded by Mr. A. Quintero and carried unanimously, that the Board of Trustees approve the consultant services listed below;

   a. Neal Welland – To coordinate the implementation of the College’s Emergency Preparedness Program to include designing response plans, training programs and scenarios. Date of service will begin May 26, 2007. Length of Agreement to be determined, but not longer than one year from approval date. Payment is not to exceed $19,000 from 2006-2007 One Time Funds.

   b. Jesus Guerra – To provide various transit electrical specific certifications/training courses upon request. Dates of service will be April 19, 2007 through June 30, 2007. Payment is not to exceed $3,000 per class from IDRC Grant.

   c. Carolyn Alayne Comini – To present workshops and classes to Foster and Kinship Care Providers on topics such as Eating Disorders, Lying, Cheating, Stealing, and other related topics in foster care and parenting. Dates of service will be May, 2007 through June 30, 2007. Payment is not to exceed $350 from FKCE.
d. Deborah Patrice Brown – To present workshops to Foster Youth in the Independent Living Program on True Colors: True Success in Achieving Career, Academic Goals and related topics in foster care and parenting. Dates of service will be April 19, 2007 through June 30, 2007. Payment is not to exceed $350 from FKCE/ILP.

e. Lyla Eddington – to provide technical assistance to Project Director, Project Coordinator and staff regarding implementation of Title V Cooperative Grant. Dates of service will be April 18, 2007 through June 30, 2007. Payment is not to exceed $5,000 from Title V Grant.

2. California Multiple Award Schedule (CMAS)

74.

It was moved by Mr. A. Quintero, seconded by Mr. Mendez and carried unanimously that the Board of Trustees determined that Utilization the State of California Department of General Services California Multiple Award Schedule (CMAS) program is in the best interest of the Rio Hondo Community College and selection as outlined below.

On June 12, 2002, the Board of Trustees made a determination that it was in the best interest of the Rio Hondo Community College District to participate in the State of California Department of General Services California Multiple Award Schedule (CMAS) program. The Board of Trustees are requested to revisit their determination that utilization of State of California Department of General Services California Multiple Award Schedule (CMAS) program is in the best interest of the Rio Hondo Community College District.

Public Contract Code Section 20652 requires that the Board of Trustees make a determination that it is in the “best interest of the District” to accept a contract to lease data processing equipment, purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property without competitive bidding.

The CMAS (California Multiple Award Schedule) is a Leveraged Procurement Agreement which can be used to procure specific products or services. CMAS vendors are pre-qualified (based on past experience and customer recommendations) and must periodically renew their qualifications with the California Department of General Services (DGS). CMAS transactions may not exceed $500,000. California Multiple Award Schedules (CMAS) offer a wide variety of commodity, non-IT Services, and information technology products and services at prices which have been assessed to be fair, reasonable and competitive. The use of these contracts is optional and is available only to
California State and Local Government agencies. These agreements offer the benefits of the latest technology, quality equipment and services, convenience, shorter lead-times and lower administrative costs. Use of multiple award contracts may be especially effective for maintaining better prices and quality in the IT market. Before CMAS, many agencies relied upon on long-term umbrella contracts with technology refreshment and price reduction clauses to take advantage of falling prices and new technology. Even with these clauses public agencies were often unable to realize the economies and efficiencies of scale.

The State of California Department of General Services California Multiple Award Schedule (CMAS) Unit establishes agreements with those manufacturers/suppliers that offer products and/or services which are currently on an existing multiple award schedule with the Federal General Services Administration (GSA) or other approved multiple award contract. Note: A CMAS contractor does not have to hold a Federal GSA multiple award schedule contract.

Public Contract Code Section 10290 et seq. and 12101.5 specifically include approval for local government agencies to use the State of California Department of General Services California Multiple Award Schedule (CMAS) for both information technology and non-information technology products and services. AB2866 and AB1684 authorize local government agencies and school districts to use CMAS and other Department of General Services agreements without competitive bidding.

3. Upper Campus Surveying Services – Underground Services Company

It was moved by Mr. A. Quintero, seconded by Ms. Acosta-Salazar and carried unanimously, that the Board of Trustees approve the surveying services on campus to Underground Services Company in an amount not to exceed $18,000.

4. Instructional Services Agreement

It was moved by Mr. Couso-Vasquez, seconded by Mr. A. Quintero and carried unanimously, that the Board of Trustees approve Instructional Services Agreements as outlined below and authorize the Superintendent/President or designee to sign the appropriate documents on behalf of the District.
5. Architectural Engineering Services for the STARS Center Renovation and New Construction – QUATRO Design Group

This item was moved out of order to the beginning of the Action Agenda.

6. Construction Management Services for the Physical Education Complex Renovation and New Construction

It was moved by Mr. A. Quintero, seconded by Mr. Mendez and carried unanimously that the Board of Trustees approve the Construction Management Services for the Physical Education Complex renovation and new construction to TELACU Construction Management and authorize the Superintendent/President or designee to negotiate the contract.
