The Governing Board shall determine whether any hearing will be conducted before the entire Governing Board, or appoint one or more

The employee shall attend any hearing, unless excused by the Governing Board or the Hearing Board/Officer, and shall be entitled to:

1. Be represented by counsel or any other person at such hearing.
2. Testify under oath.
3. Compel the attendance of other employees of the District to testify in his behalf.
4. Cross-examine all witnesses appearing against him and all employees of the District whose actions are in question or who have investigated any of the matters involved in the hearing and whose reports are offered in evidence before the Hearing Board/Officer.
5. Impeach any witness.
6. Present such affidavits, exhibits and other evidence as the Hearing Board/Officer deems pertinent to the inquiry.
7. Argue his/her case.

The party attempting to substantiate the charges against the employee shall be entitled to the same privileges.
D. Evidence

The hearing shall be informal and need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper the admission of such evidence over the objection in civil actions. Hearsay evidence may be admitted for any purpose but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege and of official or judicial notice shall be effective to the same extent as in civil actions. Irrelevant and repetitious evidence shall be excluded. Oral evidence shall be taken only under oath or affirmation.

E. Exclusion of Witnesses

The Hearing Board/Officer may in its discretion exclude witnesses not under examination, except the employee and the party attempting to substantiate the charges against the employee, and their respective counsel. When hearing testimony on scandalous or indecent conduct, all persons not having interest in the hearing may be excluded.

F. Burden of Proof

The burden of proving the charge by a preponderance of evidence shall be the responsibility of the College.

G. Findings and Decision

Upon completion of the hearing, Findings of Fact and Conclusions shall be adopted by the Governing Board, which shall constitute its decision. If the hearing is not before a quorum of the Governing Board, proposed written findings and conclusions shall be submitted by the Hearing Board/Officer to the Governing Board for its approval. If the Governing Board accepts such findings and conclusions, it need not read the record of hearing. If it declines to accept such findings and conclusions, it must read the record, after which it may make its own findings and conclusions. The Governing Board may also remand the matter to the Hearing Board/Officer for further proceedings and order a new hearing.
Unless the decision provides otherwise, it shall be retroactive to date of service of the Statement of Charges. Notice of the decision shall be mailed promptly to the employee. Except for the correction of clerical error, such decision shall be final and conclusive. If the Governing Board’s decision reinstates the employee and declines to impose a suspension during all or part of the period of unpaid absence, the employee shall be paid in full by the college (back-pay) for any unpaid days which are not part of a suspension ruling by the Governing Board.

H. Report of Hearing

Hearings will be reported either by a court reporter or by a recording machine. Upon written request of the employee, copies of the record will be supplied to the employee provided he/she pays the cost thereof. Any cost associated with a court reporter shall be split between the District and the employee (Association) if the parties mutually agree that a court reporter should be utilized, or later requests a copy of the transcript.

I. Continuances

The Hearing Board/Officer may grant a continuance of any hearing upon such terms and conditions as it may deem proper, including in its discretion the condition that the employee shall be deemed to have waived salary for the period of the continuance. Any request for continuance made less than 48 hours prior to the time set for the hearing will be denied unless good cause is shown for the continuance.
