

CD 111-ECE Curriculum

Student Learning Outcome:

Given the sequence of physical, social/emotional and cognitive/language development during early childhood list the critical components necessary to meet the age appropriate aspect of Developmentally Appropriate Practices related to curriculum.

Proposed type of assessment to be used: Evaluate the inclusion of the critical components of Developmentally Appropriate Practices by age related to curriculum through in-class or take-home assignments.

Collection and Evaluation Process: Results will be collected from all sections of the course and compiled by faculty to be reviewed during department meeting during Flex Day each semester.

Performance standard	<i>Excellent</i>	<i>Satisfactory</i>	<i>Unsatisfactory</i>
Relevant to the assigned topic	Comprehensive list of critical components related to development by age.	Majority of applicable critical components listed.	Critical component list not related to development by age.
Applies to the guidelines/criteria	Critical component descriptions are thorough.	Shallow or few critical component descriptions.	List of critical components with out descriptions.
Responds to the questions posed	Critical components listed are logically related to current issues.	Most critical components listed logically related to current issues.	Critical components do not logically relate to current issues.
