

SOCIAL SCIENCE DIVISION
DRUG STUDIES
 ASSOCIATE OF SCIENCE DEGREE

The following curriculum meets the requirement for an Associate of Science Degree in Drug Studies. The Drug Studies Program is accredited by the California Association of Alcohol and Drug Educators (CAADE). The courses needed for the degree are designed for those who wish to transfer to a four-year institution and pursue a Bachelor's Degree in Human Services or other discipline that serves as preparation for a career in the helping professions.

To acquire an Associate of Science Degree in Drug Studies, it is necessary to complete the graduation requirements of the college and the following courses with a grade of "C" or better.
