

BUSINESS DIVISION

SMALL BUSINESS/ENTREPRENEURIALISM

ASSOCIATE OF SCIENCE DEGREE

This curriculum is designed for the student wishing to own their own business. Areas of emphasis will include management, marketing, and operations management for a small business. The student will gain a general core of knowledge about different types of small businesses: service businesses, international businesses, e-commerce businesses and business to business ventures through hand on projects.

To acquire the Associate of Science Degree in Business with the Small Business Management Option, it is necessary to complete the graduation requirements of the college along with the following:

NOTE: Students interested in transferring as Business majors should consult with a counselor for appropriate general education & major preparation counseling.
