IV. DISCUSSION ITEMS/ATTACHMENTS

Alex Gardos brought up his concern regarding hours for several graphic design courses. He would like to change the hours of these courses to 54 Lecture/54 Lab and explained to the committee his reasoning for this suggestion. Fran advised him of the committee's current policy for calculating hours to units for credit courses. However, she just received information that the formulas have changed and therefore, suggested the need for a subcommittee to decide how we will calculate these. The following committee members have volunteered to be on this subcommittee:

- Fran Cummings
- Ryan Bronkar
- Jim Newman
- Patricia Luna
- Dorali Pichardo
- Alex Gardos

Fran advised the subcommittee that she will send an email to all regarding information and a meeting time.

Mike Slavich stated that final suggestions for CurricUNET are due tomorrow. After that, the system will be reloaded and then we will be able to play with it.
