IV. DISCUSSION ITEMS/ATTACHMENTS

- Training for “Stand Alone” courses was presented by Fran Cummings, Curriculum Chair.
- “Course Repeatability/Repetition” was discussed with the committee. Fran informed them of changes and recommendations as well as the repeat limits. She asked for volunteers to form a subcommittee to help define Rio Hondo’s courses. The following members volunteered for this committee: Song Le Graham, Scott Dixon, Mike Slavich, Jannine Livingston, Margaret Griffith and Armando Ayala.
- The committee was informed that CurricuNet has been purchased. An implementation committee was formed and has met twice. A flow chart with hierarchy was discussed and the committee will meet again in mid-October. At that time representatives from CurricuNet will be invited for discussion.
- “Prerequisite/Corerequisite Validation” per Title V was also discussed. Fran explained the new regulations and guidelines, and advised the committee that Rio Hondo needs a new AP policy developed. She will give everyone a copy to review and requested input by all. After gathering input, she will then ask for volunteers for a taskforce to work on this policy.
- Mike Slavich advised everyone that new CTE programs will now have to be preapproved by the regional consortium before submitting for curriculum approval.
