IV. DISCUSSION ITEMS/ATTACHMENT:

1. Graduation Competencies

Michelle Pilati asked the committee members to refer to the Graduation Competencies handout that outlines Title 5 changes to the English, math, and reading competencies for graduation and the changes with respect to placement tests (i.e., they can't be used). She asked the committee for ideas on how to address the changes since as of Fall 2019 assessment for placement cannot be used. Listed below are some ideas that committee members proposed as mechanisms for demonstrating reading competencies:

- Completion of GE courses or ADT degree
- Offer READ courses as non-credit
- Credit by exam
- Offer READ courses at the high schools

Michelle asked the committee to consider and bring back ideas to the next meeting.

V. ADJOURNMENT:

Michelle Pilati announced that the next meeting will be held on April 3, 2019. The meeting adjourned at 12:30p.m.
