

**Rio Hondo Community College District
Curriculum Committee
Agenda
Wednesday, April 15, 2020 – REMOTE**

I. APPROVAL OF THE MINUTES FROM APRIL 8, 2020

II. PUBLIC COMMENT: *Although the Curriculum Committee always welcomes the participation of guests in any discussion, this agenda item is provided to allow a member of the public to speak to an item not on the agenda.*

III. ACTION ITEMS

A) Approval of Consent Agenda: *Continued from April 8th agenda*

Item 1920-395

Course Change

FAC 4305, 4326, 4327, 4328, 4329, 4330, 4331, 4335

Delete from Catalog

B) Second Readings:

Continued from April 8th agenda

Item 1920-372

Credit Course Revision

WFT 290 CWE/Internship for WFT

Units 1.0 to 4.0

Description

This course supports and reinforces on-the-job training in the wildland fire technology (WFT) field under supervision of a college instructor, facilitated by learning objectives. Students work in a skilled or professional-level assignment in the area of wildland fire technology, and meet performance objectives related to instruction required for the conditions of regular employment. The course is intended for students whose job is related to the wildland fire technology field and who have completed or enrolled in the appropriate coursework. Contact the CWE office regarding re-enrollment procedures.

Item 1920-375

Credit Course Revision

ARCH 110 Construction Document Reading and Estimating

Units 3.0

Description

This course is beneficial for apprentices, students of architecture and employees in all areas of the construction industry, and covers residential, light commercial and industrial building construction. An introduction to the use of prints, construction documents and the theory of construction estimating, as used in the building industry will be presented. Principles of reading working drawings, plans, H.V.A.C. specifications, details, elevations and electrical specifications are included as well as material estimating, estimating rules, tables and procedures.

Item 1920-376

Credit Course Revision

ARCH 290 Cooperative Work Experience/Internship for Architecture Related Fields

Units 1.0 to 4.0

Description

This course supports and reinforces on-the-job training in business and industrial establishments under supervision of a college instructor and is facilitated by the use of learning objectives. The student will be working in a skilled or professional-level assignment in their area of vocational interest and will meet performance objectives related to instruction that are above and beyond the conditions of regular employment. This course is intended for students whose job is in architectural design / drafting related fields and have completed or enrolled in the appropriate coursework. Instructor approval is needed to enroll in the class. Contact the CWE office regarding re-enrollment procedures.

Item 1920-377

Credit Course Revision

ARCH 299 Directed Study in Architecture Design & Drawing

Units 1.0 to 3.0

Description

The course provides an opportunity for the student to expand their studies in Architectural Design and Drawing beyond the classroom by completing projects and/or assignments arranged by agreement between the student and instructor. The student is required to contract with the instructor to determine the scope of the assignments and the unit value assigned for successful completion of the course. Students must possess a 2.5 overall GPA, a 3.0 GPA in the discipline of study being requested, or receive an exception from the instructor. Students may take a maximum of 3 units of Directed Study within a discipline and 9 units college-wide.

Item 1920-378

Credit Course Revision

CIV 290 Cooperative Work Experience/Internship for Civil Related Fields

Units 1.0 to 4.0

Description

This course supports and reinforces on-the-job training in business and industrial establishments under supervision of a college instructor and is facilitated by the use of learning objectives. The student will be working in a skilled or professional-level assignment in their area of vocational interest and will meet performance objectives related to instruction that are above and beyond the conditions of regular employment. This course is intended for students whose job is in civil design / drafting related fields and have completed or enrolled in the appropriate coursework. Instructor approval is needed to enroll in the class. Contact the CWE office regarding re-enrollment procedures.

Item 1920-379

Credit Course Revision

CIV 299 Directed Study in Civil Design Technology

Units 1.0 to 3.0

Description

This course provides an opportunity for the student to expand their studies in Civil Design Technology beyond the classroom by completing a project or an assignment arranged by an agreement between the student and instructor. The student is required to contract with the

instructor to determine the scope of the assignment and the unit value assigned for successful completion. Students must possess a 2.5 overall GPA, a 3.0 GPA in the discipline of study being requested, or receive an exception from the instructor. Students may take a maximum of 3 units of Directed Study within a discipline and 9 units college-wide.

Item 1920-380

Credit Course Revision

ENGT 101 Introduction to Technical Drawing & Graphics

Units 3.0

Description

This is a basic course in technical drawing and graphics for students with no previous drafting skills or training. The course is designed for students who wish to pursue training in fields and careers related to architecture, civil and engineering design drafting. Practical application will be provided with the tools, techniques, standards, and practices used in the industries that need technical drawings and graphics.

Item 1920-381

Credit Course Revision

ENGT 290 Cooperative Work Experience/Internship for Drafting Related Fields

Units 1.0 to 4.0

Description

This course supports and reinforces on-the-job training in business and industrial establishments under supervision of a college instructor and is facilitated by the use of learning objectives. The student will be working in a skilled or professional-level assignment in their area of vocational interest and will meet performance objectives related to instruction that are above and beyond the conditions of regular employment. This course is intended for students whose job is in drafting-related fields and have completed or enrolled in the appropriate coursework. Instructor approval is needed to enroll in the class. Contact the CWE office regarding re-enrollment procedures.

Item 1920-382

Credit Course Revision

ENGT 299 Directed Study in Engineering Design Drafting

Units 1.0 to 3.0

Description

This course provides an opportunity for the student to expand their studies in Engineering Design Drafting beyond the classroom by completing a project or an assignment arranged by an agreement between the student and instructor. The student is required to contract with the instructor to determine the scope of the assignment and the unit value assigned for successful completion. Students must possess a 2.5 overall GPA, a 3.0 GPA in the discipline of study being requested, or receive an exception from the instructor. Students may take a maximum of 3 units of Directed Study within a discipline and 9 units college-wide.

Item 1920-383

Credit Course Revision

KIN 192 Health: Women's Personal Health

Units 3.0

Description

This course is designed for all students interested in expanding their knowledge regarding health problems and social issues unique to women. Physiological and psychological aspects of nutrition,

hygiene, sexuality and reproduction, drugs and chemicals, and common diseases are among the many topics covered. Guest speakers, videos, current events, web and text readings will assist the student in developing sound health principles for use in everyday life.

Item 1920-384

Credit Course Revision

KINA 101 Tennis I

Units 1.0

Description

This is a beginning tennis class designed to take the student to a recreational level in skills. Instruction in the serve, groundstroke, volley, and rules are taught. The student will also learn how to play doubles and singles matches so that the student can compete on a recreational level.

Item 1920-385

Credit Course Revision

KINA 134 Cardio Boot Camp

Units 1.0

Description

This course is designed for the student who wishes to improve their cardiovascular and core fitness. The student will learn lifelong skills to improve their health. Workout skills such as core strengthening, cardiovascular fitness, step aerobics and flexibility training will be covered. Instruction in proper diet, heart rate monitoring, skills proficiency and fitness program planning will be provided to each student.

Item 1920-386

Credit Course Revision

LIT 149 Introduction to Chicana/Chicano Literature

Units 3.0

Description

This course explores a range of Chicana/o/x literature, with a focus on major texts from 1848 to the present. Course reading and writing assignments explore major cultural themes, including identity issues. Assigned readings may be from a variety of genres including essays, poetry, fiction, oral histories, corridos, and autobiography by writers throughout the Southwest. This course is designed for students interested in exploring various genres of literature, students interested in learning more about Chicana/o cultural expression, and students majoring in Chicano Studies.

Item 1920-387

Credit Course Revision

POLS 150 Chicana/o/x Politics

Units 3.0

Description

This course examines United States history and political issues relevant to the Chicana/o/x and Latina/o/x communities. The course provides an overview of demographic changes in the U.S. and examines political activism and political leadership. Students interested in this course may include individuals with familial or personal connections to the Chicana/o/x (Mexican-American) community and/or those intending to work in environments with high concentrations of this population.

Item 1920-388**Credit Course Revision****READ 021 Basic Reading****Units 3.0****Description**

This course is designed for students who want to improve their reading skills in order to succeed in other college classes. Students will learn how to read and understand short works of fiction and nonfiction as well as key vocabulary words associated with college and everyday life through context clues, word parts, and dictionary usage. Students will also learn to recognize transitions, main ideas and supporting details. This is a non-degree applicable course and is offered on a pass/no pass basis. All students are required to concurrently enroll in the Reading Lab, READ 021L.

Item 1920-389**Credit Course Revision****READ 021L Reading Lab****Units .50****Description**

This course is a skills class designed to assist students in improving reading comprehension and vocabulary through individually prescribed lab work. Students will complete reading tasks intended to complement the activities of their reading course. All READ 021 students must enroll. This is a non-degree applicable course offered on a pass/no pass basis.

Item 1920-390**Credit Course Revision****READ 022L Reading Lab****Units .50****Description**

This course is a skills class intended to assist students in improving reading comprehension and vocabulary through individually prescribed lab work. Students will complete reading tasks designed to complement the activities of their reading course. All READ 022 students must enroll. This is a non-degree applicable course offered on a pass / no pass basis.

Item 1920-391**Credit Course Revision****VOCB 025 Intermediate Vocabulary****Units 3.0****Description**

This course is intended for students who want to develop precollegiate-level reading, writing, and speaking vocabulary. Students will learn the meaning of new words commonly used in college textbooks and lectures, and they will use them in written and spoken sentences. Students will also gain knowledge of word roots to reinforce their understanding of words. This is a non-degree course and is offered on a pass/no pass basis.

Item 1920-393**New Certificate of Achievement****French****Units 18.0****Description**

The Certificate of Achievement in French is designed to provide students with a strong foundation in the essentials of the French language: reading, listening, speaking, and writing skills. This certificate is intended for students pursuing other degrees or careers not necessarily related to the French language but who still want to learn the language. With this certificate, the student can petition their employer for any benefits that may be available for those who have skills in French. Students who successfully complete the certificate will be able to communicate competently in French at a basic conversational level. While students will not be able to act as an interpreter, they will be able to communicate directly with clients, customers, coworkers, or community members who are French speakers and whose English proficiency may be limited.

Item 1920-394

New Certificate of Achievement

Spanish

Units 18.0

Description

The Certificate of Achievement in Spanish is designed to provide students with a strong foundation in the essentials of the Spanish language: reading, listening, speaking, and writing skills. This certificate is intended for students pursuing other degrees or careers not necessarily related to the Spanish language but who still want to learn the language. With this certificate, the student can petition their employer for any benefits that may be available for those who have skills in Spanish. Students who successfully complete the certificate will be able to communicate competently in Spanish at a basic conversational level. While students will not be able to act as an interpreter, they will be able to communicate directly with clients, customers, coworkers, or community members who are Spanish speakers and whose English proficiency may be limited.

Item 1920-400

Credit Course Revision

KIN 197 Prevention and Treatment of Athletic Injuries

Units 3.0

Description

This course introduces the most salient concepts of athletic training, including the instruction for prevention, recognition, management and treatment of common injuries in a physically active population. The skills of basic strapping, bracing, padding and taping for the prevention and management of injuries will be presented and practiced. This class is recommended for those interested in becoming a certified athletic trainer, physical therapist or occupational therapist.

Item 1920-401

Credit Course Revision

KIN 290 Cooperative Work Experience/Internship for Athletic Training

Units 1.0 to 2.0

Description

This course supports and reinforces on-the-job training in the field of athletic training under supervision of a college instructor and is facilitated by the use of learning objectives. The student will be working in a skilled or professional level assignment in their area of vocational interest and will meet performance objectives related to instruction that are above and beyond the conditions of regular employment. This course is intended for students whose job is related to the field of athletic training and have completed or enrolled in the appropriate coursework. "Contact the CWE office regarding re-enrollment procedures".

C) First Readings:

Continued from April 8, 2020

Item 1920-396

Credit Course Revision

ADN 251 Medical/Surgical Nursing II

Units 2.0

Description

This course focuses on the aging process as it relates to normal aging, changing biological, interpersonal and intrapersonal needs. It also focuses on the application of the nursing process in caring for patients with disturbances in perception, coordination and mobility. The pathophysiology of disease processes, as well as medical and nursing interventions and rehabilitative approaches to restoring and maintaining optimum health are discussed. This course is designed for students in the Associate Degree Nursing Program. The Board of Registered Nursing requires that students must be concurrently enrolled in both ADN251 and ADN251L, and pass both courses together. They cannot be taken individually for credit.

Item 1920-397

Credit Course Revision

FAC 050 Fire Instructor 1A

Units 2.5

Description

This course provides the skills and knowledge needed for the entry level professional instructor to perform his or her duties safely, effectively, and competently. The curriculum is based on the 2012 edition of NFPA 1041 Standard for Fire Service Instructor Professional Qualifications. At the end of this course, candidates for Instructor I certification will be able to teach and deliver instruction from a prepared lesson plan utilizing instructional aids and evaluation instruments. The Instructor I will also be able to adapt a lesson plan and complete the reporting requirements to the local jurisdiction.

Item 1920-398

Credit Course Revision

FAC 051 Fire Instructor 1B

Units 2.5

Description

This course provides the skills and knowledge needed for the intermediate level professional instructor to perform his or her duties safely, effectively, and competently. The curriculum is based on the 2012 edition of NFPA 1041 Standard for Fire Service Instructor Professional Qualifications and the 2012 edition of NFPA 1403 Standard on Live Fire Training Evolutions. At the end of this course, candidates for Instructor II certification will be able to develop lesson plans and evaluation instruments, teach and deliver instruction, and evaluate and coach other instructors. The Instructor II will also be able to analyze resources and formulate a program budget.

Item 1920-399

Credit Course Revision

FAC 054 Fire Investigator

Units 2.5

Description

This course provides information on securing the fire scene and determining the origin and cause of the fire. Topics include responsibilities of a fire investigator, securing the fire ground, conducting an exterior and interior survey, analyzing fire patterns, interpreting individual fire patterns, discriminating the effects of explosions, examining and removing fire debris, reconstructing the area of origin, inspecting the performance of building systems. The 2014 edition of NFPA 1033 Standard Professional Qualifications for Fire Investigators the basis for this course.

Item 1920-402**Credit Course Revision****FAC 055 Arson Scene Investigator****Units 2.0****Description**

This course provides information on scene documentation and evidence collection/preservation. Topics include photographing the scene, diagramming the scene, constructing investigative notes, processing evidence and establishing chain of custody, processing victims and fatalities, selecting evidence for analysis, maintaining a chain of custody, preparing a fire investigation report, and disposing of evidence. The 2014 edition of NFPA 1033 Standard for Fire Investigator Professional Qualifications is the basis for this course.

Item 1920-403**Credit Course Revision****FAC 118 Firefighter I, Basic Fire Academy****Units 18.0****Description**

This course is designed for recently employed firefighters and other interested students. Topics covered include organization of the public and private fire service, characteristics and behavior of fire, fire hazards and firefighter safety, extinguishing agents and related extinguishing equipment, fire protection systems and water supply, incident command system, confined-space rescue awareness, building construction and assemblies, basic firefighting tactics and strategy, fire prevention, hazardous materials, emergency care, wildland firefighting, Rapid Intervention, Rescue Systems and physical fitness. This course meets the State Board of Fire Services requirements for designation as a "California Fire fighter I Accredited Academy" (ARA or Accredited Regional Academy by the California State Fire Marshal). Students who complete this course also receive California certification in Vehicle Extrication, Fire Control I & II, Hazardous Materials First Responder Operational, Confined-Space Rescue Awareness, Rescue Systems I, S-110, S-130, S-190, Rapid Intervention Crew Tactics and ICS-200. This course requires completion of a medical physical examination and includes arduous physical activity.

New Agenda Items for 04/15/20**Item 1920-404****Credit Course Revision****DANC 114 Consolidated & Alignment for the Dancer****Units 1.0****Description**

This course is designed to provide the physical training and preparation for students interested in Dance, Yoga, Pilates, and Athletics and is suitable for individuals seeking to move with greater efficiency and less pain in everyday activities. Students will learn how to safely and effectively move while developing strength, flexibility, proper alignment, agility, balance and coordination. Course work is designed for those wishing to work at a more deliberate pace and in a non-competitive atmosphere, or who are recovering from prior injury.

Item 1920-405**Credit Course Revision****ENGT 105 Introduction to Technical Freehand Sketching****Units 2.0****Description**

This course is designed to develop skill in freehand drawing as used by the design professionals in both architectural and technical applications. Using pen, pencil, marker, basic principles of proportion, composition and freehand techniques, students will prepare technical sketches to industry standards, in isometric, oblique, perspective and orthographic. Design considerations will also be introduced for various projects involving preliminary design sketches. This course is open to all students who wish to develop

freehand drawing skills. It is required for all students working towards a degree or certificate in the Architecture and Engineering Design Drafting program.

Item 1920-406

Credit Course Revision

KIN 128 Fitness Testing and Exercise Prescription

Units 3.0

Description

This course provides an overview of how to assess cardiorespiratory endurance, muscular strength and endurance, flexibility, body fat, pulmonary function, blood pressure, postural analysis, and functional movement, and evaluate the results. Emphasis is placed on determining the appropriate test, conducting the test, interpreting the results, and creating an exercise program. This course is designed for the student pursuing a career in the fitness industry or for the Fitness Specialist certificate or Strength and Performance Coach certificate as well as those interested in furthering their understanding of the effects of exercise on the body.

Item 1920-407

Credit Course Revision

ENGT 131 Engineering and Manufacturing Applications of Technical Drawing

Units 4.0

Description

This intermediate course is the study of technical drawing as used in manufacturing applications of design and engineering technology. This course is for all students in areas of study related to Engineering, Technical Drafting, Design and Computer Graphics. The course incorporates orthographic projection, introduction to tool design, and applications of descriptive geometry through layouts and developments. The course will also cover ANSI Y14.5, precision dimensioning, geometric tolerancing, manufacturing terminology and processes. Lab exercises and drawings will be used to reinforce lecture and demonstration concepts.

Item 1920-408

Credit Course Revision

ENGT 270 Solid Works for 3D Modeling and Prototype Applications

Units 4.0

Description

This course presents an intensive study in 3D computer graphics and CADD (Computer Assisted Design and Drafting) utilizing the latest release of SolidWorks Software. This course benefits all students in areas of study related to Engineering, Drafting, Design and Computer Graphics. Students will produce three dimensional parametric computer generated virtual models incorporating mechanical design refinements. The course emphasizes high technology skills which are necessary to function as a design professional to apply 3D design graphics technology to specific disciplines of mechanical engineering, machine drafting and design, manufacturing, animation, modeling and illustration. Students will be introduced to a variety of means to directly produce prototype models from CADD generated solid geometry.

Item 1920-409

New Degree AA-T

Social Work and Human Services for Transfer

Units 28.0 to 30.5

Description

The **Associate in Arts in Social Work and Human Services for Transfer (AA-T) Degree** provides a foundation for students interested in the fields of social work, human services, counseling and related areas. The curriculum is designed to meet lower-division major requirements for the social work and human services (or similar) major at a CSU, including collaborative health and human services, criminal justice, human services, social work, and sociology.

IV. UNFINISHED BUSINESS:

Pending originator clarification of Honors requirements and course units

Item 1920-346

Credit Course Revision

LIT 143 Exploring Authors

Units 1.0

Description

This one-unit course is designed for students who wish to study the literary works of one author in depth. Students will compare and contrast all genres and literary criticism of the author's works in class discussions and in essay form. Students should consult the class schedule for the author selection as it varies each semester.

Item 1920-347

Credit Course Revision

LIT 143H Exploring Authors Honors

Units 1.0

Description

This one-unit course is designed for students who would like the opportunity to study the literary works of one author in depth. Students compare and contrast the author's works in class discussions and in essay form. Students should consult the class schedule for the author selection as it varies each semester. This course may be taken once and repeated two times for credit, and is designed for students eligible for the Honors Program.

Pending Industry Advisory recommendation

Item 1920-374

New Credit Course

TV 136 Digital Filmmaking II: Intermediate

Units 3.0

Description

This is an intermediate course in film production techniques for narrative, music video, and branded content. The course may be of interest to students interested in both film and television production. Topics include screenwriting, storyboarding, camera operation, lighting, production sound, and non-linear editing. Students work in teams and crew all positions, including writer, producer, director, first assistant director, cinematographer, camera assistant, gaffer, grip, boom operator, production sound mixer, and editor. The course incorporates career pathways in the contemporary media landscape, including branded content, social media, and new media. Emphasis is placed on personal storytelling, crew collaboration, professionalism, and building a professional resume and portfolio.
