  55% at least somewhat agree we should return to an on campus all staff lunch with 27% at least somewhat disagreeing
**FLEX Committee comments/recommendations based on data and qualitative remarks:**
Given the significant split in opinion on how to structure traditional all campus FLEX Day gatherings post pandemic, conversations should be had in the FLEX Committee, the Academic Senate, RHCFA and the administration about how to move forward.

The Black Lives Matter/Anti-Racist Conversations should continue based on the number of those who participated asynchronously.

Attempts should be made to determine if off-campus webinars will be useful/valuable if the original session contained google docs or other resources/materials that are not available via a recording.
Attachment B: Proposal for Student Success Team Faculty Liaison Role

Rio Hondo College Guided Pathways - Student Success Teams (SSTs)

Proposal for SST Academic Faculty Liaison Role

Student Success Teams provide students with a “home base” community of support that they can go to for help with course questions, educational plans, career exploration and overall holistic assistance within their Area of Interest. This home base creates a sense of belonging for students by providing them with continuity via a single set of people and places to go to for questions. Each Area of Interest has been assigned a Student Success Team to support students in their journey at Rio Hondo College as of Fall 2020.

As of Spring 2021, the SSTs include an Area Dean, Classified Staff, Lead Counselor, Area Counselor(s), Librarian, and Success Coach(es). A description of each role can be found in the RHC Success Team Roles document and team membership at https://pathways.riohondo.edu/meet-your-success-team/.

While each SST is expected to have a unique personality tailored to its Area of Interest, the common goals embraced by all SST personnel are*:

- Engage and connect students to people, programs, services, and resources that enable pathway completion
- Foster relationships and a sense of community to ensure that all students equitably persist, learn, and succeed; in particular, marginalized and underserved students
- Facilitate and encourage each student’s progress along recognizable pathways through and beyond RHC

It is proposed to integrate an Academic Faculty Liaison into each academic Area of Interest Student Success Team for the fall of 2021 with training and team building in the summer of 2021. Each of ten SST Academic Faculty Liaisons would receive 10% release time.

RHC Guided Pathways Academic Areas of Interest

- Identify areas for improvement that directly impact instruction and student learning and facilitate discipline specific professional development as a liaison with Staff Development.
- Act as a liaison for students by becoming experts in the coursework and broader pathway requirements for certificates, degrees, and employment in their pathway;
- Network with other faculty members in different departments within their respective Area of Interest to answer questions outside of their discipline or expertise;
- Explore and stay current on student transfer and career options and collaborate with high school outreach efforts (i.e. Freshman Welcome Days);

C. In the first two weeks of every spring semester, the Executive Council will conduct a census of full-time faculty in each division and review the college’s organizational structure. This census and organizational review will be used to determine the number of senators allotted to each division in the following academic year. In the event that no full-time faculty is able to serve as a senator, the division may elect a PT faculty representative, although that representative will not be included as part of the divisions FT faculty count (see chart above).
D. Part-time Representatives

Two part-time faculty members shall be approved and appointed by the Senate President, with the advice and consent of the Academic Senate Executive Committee, for a term of one year. Every effort will be made to have representatives from different divisions.

E. Vacancies

1. In the event of a permanent vacancy, the division will hold elections per their respective division guidelines. Election results will be documented in the division meeting minutes and forwarded to the senate president. The newly elected senator will finish off the term of the exiting senator.

2. In the event of a temporary vacancy, the division will hold elections per their respective division guidelines. Election results will be documented in the division meeting minutes and forwarded to the senate president. Division minutes shall include the expected return date of the senator in question.

Section 2 – Executive Council (Note: Some of this is reordered from what was there before)

A. Officers and Executive Council

1. The officers of the Senate shall be a President, First Vice-President, Second Vice-President, Secretary, and Parliamentarian. Each of these officers shall be duly elected Senators for the term they will be serving. The term of office shall be one year. An officer is limited to two consecutive terms in any one office. Officers may be elected to additional non-consecutive terms.

2. The Senate Executive Council shall consist of the officers of the Senate, the ASCCC Representative, the immediate Past President, and the President of the Rio Hondo College Faculty Association. These members are considered voting members. In addition, the curriculum chair shall attend Academic Senate and Executive Committee meetings as a non-voting member.

3. In the event of a vacancy in the Executive Council, the President may call a special election. The parliamentarian or designee is responsible for coordinating the special election. The timeline will be developed and approved by the senate body to ensure that the position is filled in a timely manner.

B. Duties of Executive Council Members

1. The President shall call meetings, preside at all meetings, serve as chairperson of the Executive Council, and shall be an ex-officio member of all committees. The President shall, with the advice and consent of a majority of the Executive Council, appoint all committees and their chairpersons. The President shall also serve as co-chair of the Planning and Fiscal Council.
2. The First Vice-President shall preside in the absence of the President, and shall complete the President’s term, if the President is unable to fulfill the term of office. This officer shall also function as Legislative Liaison whose function is to report to the Senate legislative activities and developments that might affect higher education. Other committee assignments will be allocated as needed.

3. The Second Vice-President shall preside in the absence of the President and the First-Vice President. This officer shall also function as Associated Students of Rio Hondo College (ASRHC) Liaison whose function is to work with the Executive Branch of the ASRHC. Other committee assignments will be allocated as needed.

4. The Secretary shall prepare and transmit the agenda for each meeting at least 72 hours in advance of each Academic Senate meeting. At the request of the Executive Committee, the Secretary shall prepare a correspondence of the Senate, including correspondence with the administration and with the Rio Hondo College Board of Trustees.

5. The Parliamentarian shall be an authority and rule on parliamentary procedures based on the Robert’s Rules of Order (current edition), and conduct the elections of the Senate.

6. The representative to the Academic Senate of the California Community Colleges (ASCCC) shall inform the Senate of state-wide matters and should attend the ASCCC plenary meetings.

C. Other Duties of Executive Council Members
   1. The Senate Executive Council members shall serve as members of the Planning and Fiscal Council.
   2. The Senate Executive Council shall serve on all hiring committees for Superintendent/President and for Vice-Presidents of the College. In the event that an Executive Council member cannot serve on a hiring committee, the Senate President will appoint a replacement.
   3. The Senate Executive Council shall determine how the 2.0 FTE per year of reassigned time provided for Senate duties will be divided among the officers.

Section 3 – Elections

A. General Provisions
   1. The Parliamentarian or designee is responsible for coordinating all elections.
   2. Publicity of candidacy, or electioneering, shall be limited to a maximum of ten school days prior to any election for Senate divisional representation or for Senate Executive officers. If the Parliamentarian is a candidate for office, the Senate Executive Council will select an elections chairperson to coordinate all election activities, including the distribution and acceptance of nominations, the distribution of ballots, and the counting of ballots.
   3. Election of new Senators should be completed by the end of February each year. New Senators will take office at the end of the academic year, immediately following graduation. The senior Senator from each Division will facilitate communications between events in the division and the Senate. Newly-elected Senators are encouraged
to attend Senate meetings during the interim between their election and the start of their term. The senior Senator from each division is responsible for ensuring that the division election takes place and that the names of elected Senators are forwarded to the President of the Senate immediately after the election is held. The senior Senator is also responsible for ensuring a smooth transition for newly elected Senators.

B. Election Procedures

1. Officer elections shall be completed in March each year. New Senate officers will take office at the end of the academic year, immediately following graduation. The Executive Council will establish timelines for officer elections. Nominations will take place at a Senate meeting and will be open for one week. At least one week prior to the meeting at which nominations take place, the Parliamentarian or designee will distribute information regarding elections and the elections timeline. Voting will be open for one week following the close of nominations.

2. Voting will be conducted electronically using online survey software. The Parliamentarian (or designee) will email a link for the electronic ballot to each Senator’s Rio Hondo College email address one week prior to the last Senate meeting in March. The Parliamentarian (or designee) will create the electronic ballot to include the names of the officer positions, with the candidates listed in randomized order. There will be a form field for “write-in” candidates for each office. Voting will close at noon the day prior to the last Senate meeting in March.

3. A committee under the general direction of the Parliamentarian (or designee) will tally the results of the electronic vote. No candidate for any office may participate in the tallying of the vote.

4. Results of the election will be announced at the last Senate meeting in March. In order to be elected to any office, a candidate must receive 50% plus 1 vote of the votes cast for that office.

5. In the event that no candidate for an office receives the required number of votes, a runoff election shall occur. If there are more than two candidates for an office, none of whom received the required number of votes, a runoff election between the two candidates receiving the most votes will be held at the same meeting the results of the election are announced. The Parliamentarian (or designee) will email an announcement of the runoff election to all Senators prior to the meeting at which the runoff election will be held. The runoff election will be conducted by paper ballot. Senators must be present at the runoff election to cast a vote. The results of the runoff election will be announced at the same meeting the runoff election took place.
Section 4 – Academic Senate Committees

A. Committees of the Academic Senate shall be standing committees or task forces. A standing committee shall be an ongoing committee of the Academic Senate. A task force shall be a group formed for a specific assignment or purpose and shall be dissolved upon completion of the task. The charge, composition and reporting structure of these groups will be formulated and approved by the Academic Senate.

Section 5 – Amendments of the Bylaws

A. Amendments to these bylaws may be proposed by vote of 2/3 of the senate, or by a petition signed by 25% of the faculty. Amendments will be logged in the bylaws and implemented during the following academic year.

- Academic Senate Bylaws revised September 19, 2017 reflecting a change from Senate Executive Committee to Executive Council in addition to minor language insertions and edits.
- Academic Senate Bylaws revised May 17, 2016 to reflect the changes to the election procedures as proposed and ratified after two readings.

- Academic Senate Bylaws Revised May 4, 2010 to (1) update election procedures to conform with the 16-week semester and (2) remove language which prohibited the Faculty Association President from voting.
- Academic Senate Bylaws Revised March 25, 2004 to reflect comments made at the March 9, 2004 meeting where this document passed for 2nd reading.

Distance Education

Senate Report -DE Committee Meeting April 12, 2021

1. Enrollments in DE or WEB courses increased by 46% or by 101 sections in the last year which is a significant jump partly due to the courses put online by the IOP/CTE Grant and other courses cleared through the queue to be offered WEB or 100% online.
2. Per the completion of the IOP/CTE Grant, the committee made the recommendation to allow faculty to teach 80-100% online if they have an online degree program or certificate that is WEB. This is a Faculty Association issue as well that must be negotiated and changed in the contract.
3. PDF Accessibility training is being offered in a 3-part series starting April 27th from 3-4:30pm. Faculty must attend all sessions and 5 hours of flex credit is available. See the Flex Office Calendar for more information or contact jpfeiffer@riohondo.edu.
4. A Senate/DE Task Force will seek volunteers with online teaching experience to investigate WEB course lengths between 4-7 weeks to be considered for certain departments where students may benefit from short-term course programs.
5. Jenni Tanaka will continue in the position as POCR Lead for another term. The DE Committee agreed that this position should be considered as another coordinator and that the POCR Club should be considered a sub-committee of the DE Committee. A working group was created with volunteers to investigate changing the Bylaws and officially adding another coordinator to the DE Department as well as officially having POCR reviewers be given stipends to work reviews for courses to align to the OEI Rubric.
6. The committee unanimously agreed to change the Bylaws to include 4 more full-time and 2 part-time faculty to serve on the committee. Requirements to serve on the committee include online teaching certification and experience teaching at least one WEB class online.

The Bylaws were also changed to allow the DE Coordinator to serve 2 terms if there is an election after each 2-year term to allow others to run for the position. The DE Coordinator position must be filled by a current sitting member of the committee. No one from the committee chose to run for DE Coordinator and Jill Pfeiffer was re-elected to the position for another term.

Guided Pathway Program Maps - Mathematical Concepts and Quantitative Reasoning Requirement

The following motion was passed at the April 6, 2021 Academic Senate Meeting.

"In order to align quantitative reasoning courses to students' Areas of Interest to Clarify the Path per the Guided Pathways Scale of Adoption essential practices (Pillar 1), faculty who teach quantitative reasoning courses will work with Area of Interest faculty and counselors to finalize a list of prioritized quantitative reasoning courses for each Area. A preferred course to optimize degree options within each Area would appear first with an alternate course or courses with descriptions listed below in our sample educational plans in our Pathways website."

This motion will make the path to completion clearer for students with specified math courses mapped for each program. The courses will be selected by discipline faculty, counselors and mathematical concepts and quantitative reasoning disciplines.

Student Success Teams

The Lead Academic Faculty Liaison role for Student Success Teams has been formalized by the Guided Pathways Steering Committee and will go to the Academic Senate for the April 20th meeting.

Website

The proposed new website navigation has been approved by the Guided Pathways Steering Committee and various workgroups. The proposed new navigation will be presented to PFC this semester.
