NART 175 Animation Skills Development

Description

This course complements ANIM lab and lecture courses. It is designed to provide an additional opportunity for students to practice concepts covered in ANIM lab and lecture courses and to enhance their animation work in preparation for their portfolios or demo reels. Such instructional activities are not available in the regular lab and lecture courses, and are not required for a grade in the courses. It is recommended that students have previously or are currently enrolled in any Rio Hondo College Animation course that has a prefix of ART or ANIM.

Item 2122-137**New Noncredit Course****NBAS 030 Biology: Living Earth Systems I****Description**

This course is part of the credit recovery instructional program developed in partnership with Rio Hondo College Continuing Education, Rio Hondo College Student Success, and El Rancho High School. The credit recovery program supports students seeking to complete secondary education requirements for college preparation. This course and its successor (NBAS 031) align with the Science Framework for California Secondary Education and fulfill the minimum requirement for two courses in science (biological and physical sciences) for the high school diploma or its equivalent (i.e., a GED).

Independent Study/Directed Study is intended for students who have the ability to assume responsibility for independent work and to prepare written or oral reports and/or appropriate projects. To enroll in an independent study/directed study course, students must possess a 2.5 overall grade point average, a 3.0 grade point average in the discipline of study being requested, or receive an exception from the instructor. Independent Studies/Directed Studies may be developed from any topic arising from or related to a course of study that will result in developing depth and breadth in that subject area. Students will be expected to meet on a regular basis with their faculty sponsor and submit a final report or project, and student progress shall be evaluated at regular intervals. Academic standards for Independent Studies/Directed Studies shall be the same as those for other courses. Units are awarded in accordance with Title 5 regulations with 1 unit of credit awarded for 54 hours of Directed Studies, 6 hours of which must be with an instructor. The instructor is responsible for monitoring student progress through the semester. Students may take directed study courses for a maximum of 3 units within a discipline, and may not accumulate more than a total of 9 units college-wide.
