**ANIM 290 Cooperative Work Experience/Internship for Animation Related Fields**

#### **Description**

This course supports and reinforces on-the-job training in business and industrial establishments under the supervision of a college instructor, and is facilitated by the use of learning objectives. Students work in a skilled or professional-level assignment in their area of vocational interest and meet performance objectives related to instruction that are above and beyond the conditions of regular employment. This course is intended for students whose job is related to the field of animation and have completed or enrolled in the appropriate coursework. The course may be taken once and repeated for a maximum of 16 units; contact the Cooperative Work Experience Education (CWEE) office regarding re-enrollment procedures. .

**Description**

This course complements ANIM lab and lecture courses. It is designed to provide an additional opportunity for students to practice concepts covered in ANIM lab and lecture courses and to enhance their animation work in preparation for their portfolios or demo reels. Such instructional activities are not available in the regular lab and lecture courses, and are not required for a grade in the courses. It is recommended that students have previously or are currently enrolled in any Rio Hondo College Animation course that has a prefix of ART or ANIM.

**PHY 299B Directed Study: Biophysics and Biophysics Research I**

**Description**

Independent Study/Directed Study is intended for students who have the ability to assume responsibility for independent work and to prepare written or oral reports and/or appropriate projects. To enroll in an independent study/directed study course, students must possess a 2.5 overall grade point average, a 3.0 grade point average in the discipline of study being requested, or receive an exception from the instructor. Independent Studies/Directed Studies may be developed from any topic arising from or related to a course of study that will result in developing depth and breadth in that subject area. Students will be expected to meet on a regular basis with their faculty sponsor and submit a final report or project, and student progress shall be evaluated at regular intervals. Academic standards for Independent Studies/Directed Studies shall be the same as those for other courses. Units are awarded in accordance with Title 5 regulations with 1 unit of credit awarded for 54 hours of Directed Studies, 6 hours of which must be with an instructor. The instructor is responsible for monitoring student progress through the semester. Students may take directed study courses for a maximum of 3 units within a discipline, and may not accumulate more than a total of 9 units college-wide.

**V. DISCUSSION ITEMS**

Elizabeth informed the committee that a change had been made to Distance Ed requests in Curriqunet. Moving forward, when a new course is originated, the Distance Ed tab will be inaccessible. Distance Ed requests can now only be requested as a course revision. This change was for tracking purposes only.

Elizabeth then reminded the committee that volunteers are still needed for program review on December 6<sup>th</sup> thru December 9<sup>th</sup>. Elizabeth will email the schedule to all committee members.

Elizabeth thanked Mike Garabedian for creating fillable forms for the Discipline Assignment and GE Request forms. Both documents have been uploaded to the Curriculum webpage for future use.

Elizabeth reported that AB 1111 has been signed by the governor. This will require adopting the C-ID prefix and course numbering system. At this point, we as a committee will wait for further guidance from the Chancellor's office since there are so many unknowns.

Ted Preston asked how we are going to handle crosslisted courses? Elizabeth responded that this was a great question and at this time we just need to wait for CCCCO to figure out all the particulars.

Elizabeth then reported that AB 928 had been approved also. This will require that the CSU and UC agree to one GE transfer pattern. Again, we just need to wait to see how this will play out and what exactly we will need to do as a campus and curriculum committee.

Elizabeth informed the committee that the Guided Pathways Steering committee generally meets the second Friday of the month from 10:00 am to noon. She is not able to attend these meetings on a regular basis since it conflicts with other commitments. She asked if anyone would be interested in attending these virtual meetings and if so, to contact her.

**VI. ADJOURNMENT**

Elizabeth Ramirez announced that the next meeting will be held on November 3rd, 2021.

Meeting adjourned at 12:12 p.m.
