Item 2223-039

New Associate in Science for Transfer

Environmental Science

Description

The **Associate in Science in Environmental Science for Transfer (AS-T)** degree is intended to meet the lower-division requirements for Environmental Science majors (or similar majors) at a CSU campus that offers an Environmental Science baccalaureate degree.

This degree provides for the completion of lower division major preparation associated with the requirements for a bachelor's degree in environmental science, environmental management protection, applied ecology, environmental data analysis, and other fields. It provides a broad, comprehensive overview of the main areas of environmental science. The ability to think critically and use appropriate tools to solve environmental biological questions will be emphasized.
