New Associate in Science for Transfer

Environmental Science

Description

The **Associate in Science in Environmental Science for Transfer (AS-T)** degree is intended to meet the lower-division requirements for Environmental Science majors (or similar majors) at a CSU campus that offers an Environmental Science baccalaureate degree.

This degree provides for the completion of lower division major preparation associated with the requirements for a bachelor's degree in environmental science, environmental management protection, applied ecology, environmental data analysis, and other fields. It provides a broad, comprehensive overview of the main areas of environmental science. The ability to think critically and use appropriate tools to solve environmental biological questions will be emphasized.

V. DISCUSSION ITEMS

1. Elizabeth Ramirez - Annual Curriculum Committee Training – continued

Elizabeth Ramirez continued the annual Curriculum Committee training.

2. Elizabeth Ramirez – AB705/1705

Elizabeth Ramirez informed the committee that related to the passing of AB705 and AB1705, Rio Hondo will no longer be offering pre-transfer English and Math courses. Therefore, she would like to create a taskforce to come up with some language recommendations for the courses that list pre-transfer advisories and prerequisite courses that are no longer being offered; the programs that include these courses; and the GE areas that reference them. She recommended that at least one member from each impacted division, Math, Science and Engineering and Communications and Languages, be represented. Ed Izaguirre volunteered to represent for the MSE Division. She asked members to consider volunteering for this taskforce and to email her if interested in serving.

VI. ADJOURNMENT

Elizabeth announced that the next Curriculum meeting will be held on September 28, 2022 since there were not enough items ready for review for next week. However, for interested members there will be an informational meeting on the 21st for extra training and support related to Curriculum. A new Zoom ID# will be emailed for this special meeting.

Meeting adjourned at 12:16 p.m.
