III. UNFINISHED BUSINESS: *No Items*

IV. DISCUSSION ITEMS/ATTACHMENT:

Mike Slavich has concerns about READ 023 changing to READ 043 and not re-visiting the course's status as fulfilling the reading competency for the college's local degrees. His suggestion was to form a subcommittee to review the course and guidelines. Michelle Pilati said she will do an initial review of title 5 guidelines in advance of forming a subcommittee. Michelle also stated that she will review the Exiting Skills for our standard Prerequisite courses to see how they match up to our current Course Outlines of record. She noted that “paraphrasing” seemed to be used in lieu of the actual exiting skill on the course outline.
