III. UNFINISHED BUSINESS: No Items

IV. DISCUSSION ITEMS/ATTACHMENT:

Units vs. Hours: Ryan Bronkar stated that with the upcoming release of the new PCAH, 6th edition, it would be a natural time to reacquaint members with the past decisions regarding units and hours and to see if there are any new policies contained within the latest 6th edition of the PCAH. He asked if there would be anyone willing to serve on a subcommittee to revisit this issue. Mike Slavich indicated that because the Units/Hours discussion took place fairly recently and a policy was voted on and established, a motion would need first to be approved for the possibility of even beginning that discussion officially again prior to forming a subcommittee.

Motion: The Curriculum Committee will reopen the Units/Hours discussion. (Slavich/Gardos) Several committee members had questions about opening this discussion. Because Ryan wanted to limit the preliminary conversation to 10 minutes he suggested a motion be made to table the motion above until the following Curriculum meeting.

Motion: Table the motion above until the next Curriculum meeting. (Madrigo/Brutlag) Committee members approved with one abstention.

Update on Curricunet: Mike Slavich handed out worksheets for the committee to use while testing and navigating in the new Curricunet system. Mike requested some feedback as soon as possible since we are a few weeks away from launching. Mike also asked committee members to take a look at the SLO section while in the system and think about how we may want to utilize this information in the future.
