IV. DISCUSSION ITEMS/ATTACHMENTS

- Scott reminded the committee members of the deadline for curriculum items and library statements.
- Song talked about her proposal of a new curriculum process pertaining to deleting courses from the catalog vs. curriculum. She explained current practice here at Rio Hondo and the pros and cons of it.

It was moved by Song Le Graham; seconded by Ted Preston, and approved by the Committee to approve the following proposal:

If a course is deleted from the catalog, the course will be inactivated from the CCCC inventory and ASSIST.org. The course may be reactivated after being updated. It will also need to be re-articulated for GE, major prep, and course-to-course.
