

COURSE APPROVALAP No.
4022

Board Reviewed: NEW

Page 1 of 1

- I. Procedures for submitting for Board approval individual degree-applicable credit courses offered as part of an educational program approved by the California Community Colleges Chancellor's Office.
- II. Procedures for course approval of non-degree applicable credit courses and degree-applicable credit courses that are not part of a permitted educational program must address at least the following:
These courses must be approved by the curriculum committee.
- III. The individuals on the curriculum committee must have received the training provided for in Title 5 Section 55100
- IV. Unless modified to properly address the reasons for denial, no courses may be offered that were previously denied separate approval by the California Community Colleges Chancellor's Office.
- V. Students may only count a limited amount of semester or quarter units approved toward satisfying the requirements for a certificate or completion of an associate degree.
- VI. Regulatory limits on the number of courses that may be linked to one another by prerequisites or co-requisites.
- VII. All courses approved must be reported to the California Community Colleges Chancellor's Office.
- VIII. Source/Reference
Title 5 Section 55100
