

# CERTIFICATE OF ACHIEVEMENT

# Carpentry-Scaffold Construction

The Carpentry-Scaffold Construction Certificate is designed to prepare students to meet the needs of the State Indentured Apprenticeship (program/study/standards) within the State of California who are interested in careers in the carpentry industry. Students will gain the skills and knowledge that allow a person to work in the carpentry industry in compliance with governmental regulation and, at the same time, protect human health and the environment.

To earn a **Certificate of Achievement in Carpentry-Scaffold Construction**, students must complete the following courses with a grade of "C" or better:
