## AWARD NOTICE

Award Date:	November 5, 2019
Award No. (FAIN):	1930037
Proposal No.:	1930037
Managing Division Abbreviation:	DUE

Mr. Michael Slavich  
Authorized Organizational Representative Sponsored Research Office

Rio Hondo College  
3600 Workman Mill Road  
Whittier, CA 90601-1616  
DUNS ID: 070649124

Dear Mr. Slavich:

The National Science Foundation hereby awards a grant of \$996,708 to Rio Hondo College for support of the project described in the proposal referenced above as modified by revised budget dated November 4, 2019, e-mail dated November 5, 2019 and NSF. This award is expected to total \$996,708.

This project, entitled "Supporting the Academic Success of Undergraduate STEM Students through Scholarships and STEM Identity Development," is under the direction of Gisela Spieler-Persad, Lydia L. Gonzalez, Laura D. Gil-Trejo.

This award starts November 15, 2019 and ends October 31, 2024.

This grant is awarded pursuant to the authority of the National Science Foundation Act of 1950, as amended (42 U.S.C. 1861-75) and is subject to NSF Grant General Conditions (GC-1), dated February 25, 2019, available at [http://www.nsf.gov/awards/managing/general\\_conditions.jsp](http://www.nsf.gov/awards/managing/general_conditions.jsp) and the following terms and conditions:

This award is subject to the Federal Funding Accountability and Transparency Act (FFATA) award term entitled, Reporting Subawards and Executive Compensation, which has been incorporated into the NSF Terms and Conditions referenced above.

If the awardee has any questions related to the pre-populated data associated with this award in the FFATA Subaward Reporting System, such questions should be submitted to: [FFATAReporting@nsf.gov](mailto:FFATAReporting@nsf.gov) or by phone to: (800) 673-6188.

This award is subject to the provisions of NSF 17-527, NSF Scholarships in

Science, Technology, Engineering and Mathematics (S-STEM).

Funds provided for participant support may not be diverted by the awardee to other categories of expense without the prior written approval of the cognizant NSF Program Officer. Since participant support cost is not a normal account classification, the awardee organization must be able to separately identify participant support costs. It is highly recommended that separate accounts, sub-accounts, sub-task, or sub-ledgers be established to accumulate these costs. The awardee should have written policies and procedures to segregate participant support costs.

The Foundation authorizes the awardee to enter into the proposed subaward arrangement and to fund the subaward with award funds up to the amount indicated in the approved budget or NSF-approved post award request. The subaward should contain appropriate provisions consistent with Appendix B of the Research Terms and Conditions (RTC) dated December 10, 2018, or Articles 8.a.4. and 9 of the NSF Grant General Conditions (GC-1) dated February 25, 2019 (as appropriate), as well as any special conditions included in this award.

The attached budget indicates the amounts, by categories, on which NSF has based its support.

The indirect cost rate(s) for this award is/are :

Item Name  
Indirect Cost Rate

-----  
Total Modified Direct Cost 25.0000%

These rates are at the time of award and are based upon the budget submitted to the NSF. It does not include any out-year adjustments. The NSF will not modify awards simply to correct indirect cost rates cited in the award notice. See the Proposal & Award Policies & Procedures Guide (PAPPG) Chapter X.A.3.a. for guidance on re-budgeting authority.

Please view the project reporting requirements for this award at the following web address [<https://reporting.research.gov/fedAwardId/1930037>].

The cognizant NSF program official for this grant is Pushpa Ramakrishna, (703) 292-2943

The cognizant NSF grants official contact is Jannele Gosey, (703) 292-4445.

Sincerely,

Jannele Gosey  
Grants and Agreements Officer
