

- 5.3.8 Faculty shall be responsible for listing Student Learning Outcomes (SLO's) in their syllabi, for entering SLO assessment data in the appropriate software package, and for engaging in dialogue and writing assessment reports with other faculty for one semester each academic year. SLO data must be entered every year by June 30. Faculty evaluations shall be based, in part, on whether a unit member provides SLO data and engages in the SLO process. However, the results of the assessment (i.e., whether high or low levels are achieved) shall not be used as a basis for evaluation.
