The purpose of this Canvas site is to provide faculty and staff with updated, current information and training resources.

Each module will be created by the coordinator or department to keep you informed and guide you through processes. Please use the site and let us know if you have questions. If you need more help in one area, contact the coordinator and they will be able to assist you with your specific concerns.

Thank you for all you do in supporting our students, and we hope we can support you in your professional academic journey!
