

8 Transfer

Transfer Programs

Students whose goal is to transfer to a four-year institution should identify the following:

- Major/Career
- Preferred four-year institutions of choice
- General education courses to meet transfer requirements for admission and timely graduation
- Major preparation courses for the major

Students are strongly encouraged to meet with a counselor to discuss the development of their education plan and discuss academic, career, and personal topics that may influence their education goal. Academic faculty members are valuable contacts in providing information related to a student's career or college choice.

The Transfer Center is another valuable resource for students interested in transferring. The following services are available in the Transfer Center: Transfer Counseling, Application Workshops, Appointments with University Representatives, University Campus Tours, Transfer Fairs, Transfer Workshops, Resource Materials, Library of College Admission Materials, and Computer Resource Lab.

Río Hondo College offers courses similar to courses in the lower division (i.e., first two years) of four-year universities. Course requirements for graduation vary from one institution to another. It is to a student's advantage to choose their transfer university as early as possible. Students are advised to complete the courses at Río Hondo College that best satisfy the lower-division course requirements of their particular transfer institution. Lower-division course requirements typically include a set of general education courses and a sequence of courses in the student's chosen major.

Educational Planning for Transfer

Each four-year institution has its own basic pattern of lower-division requirements regarding both general education and specific majors. These requirements vary from college to college and often change from year to year. Río Hondo College has articulated courses with the California State University and University of California campuses as well as some out-of-state and private/independent colleges and universities.

The Transfer Center has a listing of requirements for completing the Intersegmental General Education Transfer Curriculum (IGETC), CSU General Education Breadth, and other general education patterns. In addition, there are computers for student use to access information on the Internet regarding the college of their choice.

Students may also utilize ASSIST, the statewide repository of articulation information offering easy access to a single

computerized database of student transfer information (www.ASSIST.org). The database includes IGETC and CSU GE Breadth lists as well as articulation agreements for many California public post-secondary institutions (community colleges, CSUs and UCs).

Students who plan to transfer to one of the California four-year colleges or universities should complete their comprehensive educational plan with a counselor.

Transferring to California State University (CSU)

The California State University system consists of 23 campuses located throughout the state. Admission representatives from local CSU campuses visit the Río Hondo College Transfer Center on a regular basis. Please check with the Transfer Center for more detailed information.

Each California State University (CSU) campus has its own general education and major requirements. Therefore, students should work with a counselor to first select a particular CSU campus and then formulate a strategy for completing that campus' general education, major, and admission requirements.

Courses transferable to CSU campuses are identified in the course description in this Catalog and in the Class Schedule. Courses identified as meeting major preparation are listed in the ASSIST articulation database, which can be viewed at www.ASSIST.org.

Students who have completed 60 transferable semester units (90 quarter units) with a 2.0 grade point average (2.4

for non-resident students) by the time of entry to a CSU are considered upper division applicants. Upper division applicants are eligible for admission to a CSU if they:

1. Are in good standing at the last college or university attended AND
2. Have completed, or will complete prior to transfer at least 30 semester units of general education requirements. The 30 semester units must include one course in written communication, one course in oral communication, one course in critical thinking, and one course in mathematics/quantitative reasoning. These four courses must be completed with a grade of "C-" or better.
3. The remaining units to reach 60 transferable semester units can be acquired through completion of lower division major preparation and/or CSU transferable elective units.

A maximum of 70 semester units earned at a community college may be transferred to the CSU; however, courses in excess of 70 semester units will receive subject credit and will be applied to satisfy content requirements as appropriate. No upper-division credit is allowed for courses taken at a community college.

CSU Impaction

When a program or level (upper-division transfer) or campus receives more applications from eligible applicants during the initial application filing period than can be accommodated given the available resources, that campus or program is considered to be impacted.

CSU Local Definition

Each CSU campus determines how they define "local." Río Hondo College's local campus is California State University, Los Angeles. Transfer applicants who are transferring directly from Río Hondo College are considered 'local' if Río Hondo College is the last institution attended and the majority of transferable units were completed at Río Hondo College. Students who earn an Associate Degree for Transfer (AA-T/AS-T) in a major deemed 'similar' to the Cal State LA major are also considered "local."

CSU Redirection Process

This is a process that ensures that applicants eligible for admission who cannot be accommodated at their first choice campus(es) are redirected to another CSU campus without having to complete another application for admission.

CSU Certification

Certification means that Río Hondo College has verified that a student has completed the lower-division general education requirements for the CSU. For full certification, students must complete 39 units from Categories A through E of the CSU General Education Requirements.

Certification from a community college is important because without it, students will be held to the general education requirements specific to the CSU campus to which they are transferring. Once the student is certified, the CSU campus will identify the student as having completed the lower-division general education requirements. (Please note that 9 units of upper-division general education courses must be completed at the CSU after transfer.) For full certification, a minimum of 9 semester units must be completed in each of Areas A, B, C, and D and 3 units must be completed in Area E from the CSU GE pattern. Courses in Area A and Area B4 must be completed with a "C-" or better.

It is the student's responsibility to request certification. To obtain the certification, students must file a Transcript Request Form with the Office of Admissions and Records. The final transcript and general education certification will then be sent to the CSU.

Because the requirements for a particular major may differ from one CSU campus to another, and because requirements may change yearly, students must consult regularly with a counselor when selecting courses.

CSU Application

Applications for admission to the CSU system are available online at www.calstate.edu/apply. Applications to impacted programs must be filed during the priority-filing period. Applications should be filed as early as possible to ensure priority consideration.

CSU Application Filing Periods

Students are encouraged to attend a Transfer Center application workshop before beginning the application process. Remember that applications are submitted one year prior to transferring.

The priority filing periods are:

Semester System Campuses

- Fall Semester: October 1-November 30
- Spring Semester: August 1-31

CSU General Education Breadth Course Requirements

The CSU GE Breadth is an agreement between Río Hondo and the CSU campuses regarding general education requirements. This list of courses is updated annually. Students can complete these courses to fulfill their lower-division general education requirements at a community college before they transfer to a CSU campus. The CSU-GE Breadth is just one way to fulfill the lower-division general education requirements for the CSU. Students may also use IGETC to fulfill lower-division general education requirements at the CSU (see in this catalog.) Transferring to University of California (UC)

The University of California (UC) has 10 campuses located throughout the state. Admission representatives from local UC campuses visit the Río Hondo College Transfer Center on a regular basis. Please check with the Transfer Center for more detailed information.

Course requirements vary from one UC campus to another. Therefore, it is advised that students work with a counselor to first select a particular UC campus and then formulate a strategy for completing that campus's general education requirements, major requirements, and admissions requirements. At most UC campuses, admission is competitive and a grade point average (GPA) higher than the 2.4 minimum is required. Some UC campuses require that students complete specific coursework in a major before transfer, and some majors require a higher grade point average than designated for general admission. See a Río Hondo counselor for further explanation and planning materials.

Courses transferable to UC campuses are identified in the course description in this Catalog and in the Class Schedule. Courses identified as meeting major preparation are listed in the ASSIST articulation database, which can be viewed at www.ASSIST.org.

Transfer Admission Requirements

To be eligible for admission to a UC as a transfer student, a student must fulfill the following criteria:

- A. Complete 60 UC transferable semester units (90 quarter units) with a minimum GPA of 2.4 (2.8 for non-residents); AND
- B. Complete the following course requirements, earning a grade of "C" or better in each course: two transferable college courses in English composition; one transferable college course in mathematical concepts and quantitative reasoning; four transferable college courses chosen from at least two of the following subject areas: arts and humanities, social and behavioral sciences, and physical and biological sciences.

NOTE: The IGETC (Intersegmental General Education Transfer Curriculum) Pattern will meet these course requirements.

However, some students, depending on the transfer major and university, may not be well served by following IGETC; AND

- C. Complete as many major preparation courses as possible. Major preparation may be viewed at www.assist.org. *NOTE: Selective majors require certain courses to be completed before transfer with a higher grade point average.*

The UC allows up to 70 UC transferable units from a community college. Students who complete more than 70 units at the community college may still complete courses to fulfill course requirements but will not be able to transfer more than the 70 units of credit.

IMPORTANT! To be considered for fall admission at most campuses, students must plan to complete all courses required for admission no later than the spring semester preceding the fall they wish to enter the university.

Community College Transfer Priority Admission

UC campuses give priority consideration for admission to California community college students. A California community college student applying for admission to the

University of California in advance standing will be given priority admission over all other applicants if:

1. The student was enrolled at one or more California community college for at least two terms (excluding summer sessions); AND
2. The last college attended before admission to a UC campus was a California community college (excluding summer sessions); AND
3. The student has completed at least 30 semester (45 quarter) UC transferable units at one or more California community college.

IGETC General Education Certification

Certification means that the last community college attended prior to transfer will verify that the student has completed the entire IGETC pattern. Students must apply for the IGETC certification at the community college they attended. Coursework taken at other community colleges will be certified at the discretion of the community college where the IGETC will be completed. Río Hondo College will certify for IGETC after completion of all courses required. It is the student's responsibility to request certification. To obtain the certification, students must file a Transcript Request Form with the Office of Admissions and Records. The final transcript and general education certification will then be sent to the UC.

Transfer Admission Guarantee (TAG)

The Transfer Admission Guarantee (TAG) program offers guaranteed admission to the students who complete a core set of courses at Río Hondo College a full term prior to transferring. Students in the TAG program can receive early review of their academic records, early admission notification, and specific guidance on major preparation and general education coursework. Río Hondo College has agreements with six UC campuses (UC Davis, UC Irvine, UC Merced, UC Riverside, UC San Diego, UC Santa Barbara, and UC Santa Cruz). TAG requirements vary by UC campus. The application filing period is typically September 1-30th of the year prior to transfer for Fall admission and May 1-31st for Winter/Spring. For further information, meet with a counselor in the Transfer Center.

The following are steps necessary for a student to be on pace for TAG to the University of California:

- Create a TAP account
- Consider IGETC as a general education pattern
- Complete major preparation courses
- TAG one campus
- Apply to UC
- Visit the Transfer Center in Room SS250 for more information.

UC Application

Applications for admission to the UC system are available online at www.universityofcalifornia.edu/apply.

NOTE: The UCs require applicants to respond to personal insight questions. Visit the Transfer Center for more information.

UC Application Filing Periods

Students are encouraged to attend a Transfer Center application workshop before beginning the application process. Remember that applications are submitted one year prior to transferring.

The priority filing periods are:

Fall Semester: November 1-30

Winter/Spring Semester: July 1 - July 31

All UC campuses accept applicants for fall admission. To determine which UC campuses accept applicants for winter and/or spring, call the specific campus or visit the Transfer Center.

Intersegmental General Education Transfer Curriculum (IGETC) For CSU & UC

The IGETC is an agreement between Río Hondo and the CSU and UC campuses regarding general education requirements. The IGETC list of courses was developed first in 1991 and is updated annually. Students can complete these courses to fulfill their lower-division general education requirements at a community college before they transfer to a CSU or UC campus. The IGETC is just one way to fulfill the lower-division general education requirements of a CSU or UC campus; it is not recommended for certain majors and colleges.

Completion of all the requirements in the IGETC will permit a student to transfer from a community college to a campus in either the California State University or University of California system without the need to take additional lower-division general education courses. Transfer students will receive certification for all of their lower division general education requirements only after completing all of the subject areas listed below with a "C" grade or better in each course.

CERTIFICATION – Río Hondo College will certify general education courses for the UC and CSU systems. Request for IGETC certification can be made on the Transcript Request Form with Admissions and Records. Only courses taken at U.S. regionally accredited institutions that meet the IGETC Standards will be certified in the appropriate areas. Official transcripts must be on file in the Admissions and Records Office. Courses taken at foreign institutions are not acceptable except for certification of proficiency in a language other than English. Partial Certification is permitted if the student has completed all but two courses in the pattern.

For a complete listing of courses and their approval dates, students may visit www.assist.org.

Transferring to Independent Colleges & Universities

For information regarding all transfer deadlines, students should consult with Río Hondo College counselors or the Transfer Center.

Although admission requirements vary and are listed in the catalogs of the various universities and colleges, students who transfer to independent colleges and universities are given credit for most, if not all, of their community college work. Most colleges and universities give full credit for general education courses and for most other courses designated by the community college as transferable.

Río Hondo College has developed articulation agreements with many private, independent, and out-of-state colleges and universities. Transfer students who plan to attend a

private college or university are encouraged to consult with a counselor to create their education plan. For information regarding deadlines and articulation agreements, students should visit the Transfer Center.
