**For RHC GE, please note approval is conditional: If the course is not approved for the equivalent CSU GE area, it will not be placed on the RHC GE list. However, if an applicant wants to challenge this decision, they may do so by resubmitting and providing a justification for the request. In the interests of serving students, facilitating transfer, and minimizing confusion, it is preferable all courses approved for RHC GE also have approval from the CSU system. Note further that this policy does not apply to courses submitted for RHC Category 8B.*
