Logging Into Canvas

Please bookmark the following address, this is the direct link to your course login:

<http://riohondo.instructure.com> (<http://riohondo.instructure.com>)

Before you login..... Did you make sure your class already started? You are not able to login until your class officially start. If added you added a course(s) on or after the start date, there may be a 2-business day delay from the time Admissions officially enrolls you in your course. Make sure you are using the correct username and password? See below:

- Your **Canvas Username** uses this format (see sample below):

John + . + smith1234

First Name dot Last Name Last 4 digits of student ID

example username: John.smith1234

- Your initial **Canvas Password** uses your ***AccessRio password** which is your 6 digit birthday unless you have changed your password (see sample Below)::

example password: 071785 if born on **July 17, 1985**

***Please note: it might be a different password if you changed your AccessRio password.**

After you enter you credentials, you will be prompted to allow your Rio Hondo email to be used to authenticate your login (no other info will be used).

1. **ask me again at next login:** you will be asked each time you login
2. **ask me again if information to be provided to this service changes:** if anything changes, like your email or any other change in the authentication, you will be alerted
3. **do not ask me again:** you will never be asked to authenticate your login again

Once you select how you want to release your email info, click on "Accept".
