Database Access from Home

Option 1: Library Website

Access From Home (and off-campus)

There are two ways to access online library databases from home or off-campus. Option 1 is to select any database on this website and log in with your AccessRio username and password.

RIO HONDO COLLEGE LOGIN

Password

Login

Option 2: AccessRio

The second option to access the library databases is by logging into AccessRio and selecting the Library tab to view all library databases.
