Governance Manual

The Rio Hondo College Governance Manual provides an overview of the College organization and governance structure. It is not intended as a substitute for the Board Policies and Administrative Procedures. Starting with the 2020-2022 edition, this document is reviewed and distributed every other year. Changes, edits and/or corrections are done by completing the Council Committee Request Form (<https://www.riohondo.edu/president/wp-content/uploads/sites/27/2021/03/Council-Committee-Request-Form-2022.docx>) which is later submitted through the review process.
