- I. The Board of Trustees is committed to assessing its own performance as a Board in order to identify its strengths and areas in which it may improve its functioning.
- II. To that end, the Board has established the following processes:
 - A. A committee of the Board shall be appointed in June to determine the instrument or process to be used in the Board self-evaluation. Any evaluation instrument shall incorporate criteria contained in these Board Policies regarding Board operations, as well as criteria defining the Board effectiveness promulgated by recognized practitioners in the field.
 - B. The process for evaluation shall be recommended to and approved by the Board.
 - C. If an instrument is used, all Board members will be asked to complete the evaluation instrument and submit them to the Board Secretary (Superintendent/ President).
 - D. A summary of the evaluations will be presented and discussed at a Board session scheduled for that purpose. The results will be used to identify accomplishments in the past year and goals for the following year.
