STUDENT TESTIMONY

“Coming to a new country to study abroad is not always an easy journey; however, Rio Hondo has facilitated me so well in pursuing my educational path. Rio Hondo college is not only a place that equipped me useful knowledge, but also a place of learning to be a better person in society. I deeply convey my appreciation to International Student Specialist, all my professors, Student Life and Leadership, Learning Assistance Center, and Child Development Center who have been supporting, empowering and helping me fulfill my educational goals. I’m proud to be the recipient of the Valedictorian Award 2019. I’m an international student, and if I can do it, you can do it. Try your best, believe in your potential, never give up, take action and make your dream come true. ”
