PACKAGING & DESIGN
An Employee-Owned Company

Bay Cities is thrilled to participate in another Manufacturing Day! Join us onsite for a firsthand look at how retail packaging and displays are conceptualized, designed, manufactured, and sent off to retail where consumers like you purchase everyday products.

You will have a chance to speak with our Employee Owners, ask questions, and learn about our wide range of career opportunities!

As the leading creative packaging and display partner to brand marketers nationwide, we can't wait to show you behind-the-scenes.

Manufacturing Day is designed to amplify the voice of individual manufacturers and coordinate a collective chorus of manufacturers with common concerns and challenges.
