2019-2020 Catalog
Rio Hondo College / 283
ACCT 107
Accounting Ethics
Prerequisite: ACCT 101
Advisory: READ 043 or appropriate placement
Transfers to: CSU
This course is an introduction to professional ethics in the accounting and business environments. This course will cover principles and core philosophies of ethics by examining accountants' role in different aspects of the accounting profession such as auditing, management and taxation. It will prepare students to develop their framework for making ethical decisions in their profession by learning how to ask questions and analyze ethical issues encountered in the accounting field. This course is designed for students pursuing an accounting certificate or degree, and for students looking to satisfy the accounting ethics requirement for the CPA exams.

ACCT 108
Volunteer Income Tax Assistance Program 1
Advisory: READ 043 or appropriate placement; ACCT 105
Transfers to: CSU
This is the first course in a sequence of two courses designed for students who want to be a part of the Volunteer Income Tax Assistance (VITA) program at Rio Hondo. This course will cover Federal and California tax theories and laws appropriate for the current tax year, and students will apply their knowledge by completing the IRS exams for VITA volunteers. Upon successful completion of the IRS VITA Basic and Intermediate exams, the students will be able to assist low-income individuals and families with their income tax return preparation through the VITA program for the current year.
1 Unit
18 Lecture hours

ACCT 109
Volunteer Income Tax Assistance Program 2
Prerequisite: ACCT 108
Advisory: READ 043 or appropriate placement
Transfers to: CSU
This is the second course in a sequence of two courses designed for students who want to volunteer in the Volunteer Income Tax Assistance (VITA) program at Rio Hondo. This course will allow students who have successfully passed ACCT 108 to apply their tax knowledge by assisting low-income individuals and families with tax return preparation through the VITA program for the current year. Students will learn to use the TaxWise software to accurately file individual federal and state income tax returns within the scope of the VITA program. Students will learn how to develop a system of quality control for actual taxpayer returns as well as develop their communication skills through interviews of taxpayers and explanation of tax return results.
1 Unit
9 Lecture Hours
27 Lab hours

ACCT 110
Excel for Business and Accounting
Prerequisite: ACCT 101
Advisory: CIT 107
Transfers to: CSU
This course is designed for individuals seeking to enhance entry level Microsoft Excel spreadsheet skills in a business and accounting environment. Students will learn how and why Excel is used for analyzing data, managing budgets, forecasting and modeling financial performance in business.
1 Unit
13.5 Lecture hours
13.5 Lab hours

ACCT 203
Introduction to Cost Accounting
Prerequisite: ACCT 101
Advisory: READ 043 or appropriate placement; MATH 030 or MATH 030D or MATH 033 or appropriate placement
Transfers to: CSU
Introduction to Cost Accounting takes a logical approach to the fundamentals of cost accounting as applied to a manufacturing business, and the use of cost data in management decisions. Principles and procedures of cost systems are presented first in an overview, then discussed and illustrated in detail. The course provides thorough coverage of job order costing, process costing, and standard costs. Analysis of cost data is integrated with discussions of cost accounting systems and procedures. Students will also evaluate both quantitative and qualitative data to assist management with strategic decision-making, planning, and controlling. This course is designed for accounting majors and those interested in furthering their knowledge and understanding of managerial accounting.
3 Units
54 Lecture hours

ACCT 299
Directed Study/Accounting
Transfers to: CSU
Independent Study/Directed Study is intended for students who have the ability to assume responsibility for independent work and to prepare written or oral reports and/or appropriate projects. To enroll in an independent study/directed study course, students must possess a 2.5 overall grade point average, a 3.0 grade point average in the discipline of study being requested, and receive an exception from the instructor. Independent Studies/Directed Studies may be developed from any topic arising from or related to a course of study that will result in developing depth and breadth in that subject area. Students will be expected to meet on a regular basis with their faculty sponsor and submit a final report or project, and student progress shall be evaluated at regular intervals. Academic standards for Independent Studies/Directed Studies shall be the same as those for other courses. Units are awarded in accordance with Title V regulations with one unit of credit awarded for 54 hours of Directed Studies, six (6) hours of which must be with an instructor. The instructor is responsible for monitoring student progress through the semester. Students may take directed study courses for a maximum of three (3) units within a discipline, and may not accumulate more than a total of nine (9) units college-wide. 1 to 3 Units
54 to 162 Lab hours
