**FOREIGN LANGUAGE REQUIREMENT**

Many majors require a third-semester foreign language course or equivalent that must be completed with a "C-" or better; check each major individually. Courses which fulfill the third level are listed below. Students will be required to take a foreign language placement exam to continue in language courses at USC.

**IF REQUIRED BY THE INTENDED MAJOR, THE FOREIGN LANGUAGE REQUIREMENT CAN BE MET IN ONE OF THE FOLLOWING WAYS:**

1. TESTING OUT OF THE 3RD SEMESTER ON THE USC FOREIGN LANGUAGE PLACEMENT EXAMINATION (LANGUAGE CENTER) OR
2. TAKING A LEVEL I, II AND III COURSE, OR
3. PASSING A LEVEL III LANGUAGE COURSE AT USC OR IN TRANSFER. THE FOLLOWING RHC COURSES ARE CONSIDERED LEVEL III:

FRENCH	201	RUSSIAN	201	SPANISH	201, 201H
--------	-----	---------	-----	---------	-----------

**Additional Information about Transferring to USC**

**Students still in high school:** Students may apply no more than 16 units of college courses taken before high school graduation towards their USC degree. College courses taken before high school graduation can fulfill GE requirements, but not the lower-division writing requirement or the foreign language requirement, nor can they earn USC course equivalence. Courses must be taught on the college campus by college faculty and not used toward high school graduation to earn credit; courses taught in a high school setting or exclusively to a high school student population, even if they are transcribed by a college or university, do not earn credit at USC.

**Advanced Placement (AP), International Baccalaureate (IB) and other standardized examinations:**

USC awards 4 semester units of elective credit for AP examinations taken Spring 2009 or later with a score of 4 or 5. Exams must be taken before matriculation at any two-year or four-year college. (Most AP tests taken before Spring 2009 with a score of 3 will also earn elective units.) No credit is given for projected scores, partial scores, or subscores. AP scores do not earn course equivalence. Students may not receive credit for both an AP exam (or IB or other international exam) and a college course taken before high school graduation covering the same subject matter, nor for an AP and IB exam covering the same subject matter. Students may receive a combined maximum of 32 elective units for college courses taken before high school graduation and/or examinations (e.g., AP, IB, or other international exams) taken before matriculation at a two-year or four-year college.

**Academic Renewal:** USC does not honor other colleges' academic "renewal" or "forgiveness" programs that permit students to improve a substandard grade. If you repeat a transferable course for which you earned a grade of D+ or lower, both grades will be included in your transfer GPA. If the grade on the first course was a C- or higher, only the first grade is included.

**Important Deadlines:**

**December 1, 2018** Deadline for some Cinematic Arts programs, BFA Dramatic Arts programs, all Music programs, Dance, and the Irvine and Young Academy.

**February 1, 2019** Final transfer deadline for all other programs.

**Credit Limitations:**

1. Will not accept a course with a grade of C- or lower;
2. Foreign language and laboratory science courses taught via distance learning, TV, or in an online or correspondence format will only be granted elective units
3. No credit will be granted for a course that repeats credit from another college course, or from an AP or IB exam.
