<tr>
<td>Prerequisite: MATH 180 (Pre-Calculus); Recommended courses: PHY 150 (General Physics I) and PHY 160 (General Physics II). The five-year Bachelor of Architecture program is a professional degree accredited by the National Architecture Accrediting Board (NAAB). All transfer applicants must submit a portfolio directly to the School of Architecture via uscarch.slideroom.com. Consult the School of Architecture program or website for instructions. Placement level and the amount of time to complete the studio sequence are dependent on skill level, not unit count. When selecting General Education courses, please focus on Categories B, C, D, G, and H. If you are admitted to the B.Arch program, Categories A, E, and F will be fulfilled by major requirements. Submit a recommendation from a college/university instructor or your college academic advisor or counselor via Slideroom. Letters from high school teachers or counselors will not be accepted.</td>

<td>MAJOR (FL)</td>
<td>All transfer applicants must upload a portfolio of 10-15 recent images of artwork (completed within the last two years), artist statement, and a list of creative accomplishments to roski.slideroom.com. See Roski website for more details. Submit two letters of recommendation from current or former art instructors via Slideroom. All studio courses taken outside USC are subject to an online portfolio review by Roski faculty prior to granting credit for them. For this reason, please prepare to submit additional portfolios of appropriate artwork and syllabi for each art or design course taken. When selecting General Education courses, please focus on Categories C, D, E, or F as Categories A, B, G, and H will be fulfilled by major requirements.</td>

<td>MAJOR (FL) REQUIRED FOR ADMISSION</td>
<td>Prerequisites for admission to the Marshall School of Business: ENGL 201 (Advanced Composition &amp; Critical Thinking); MATH 170 (Element of Calculus); MATH 190 (Calculus I) may be substituted for MATH 170 (Element of Calculus). These courses must be completed by the end of the spring semester for admission consideration; fall completion is preferred. Note: All upper-division business core courses and major electives must be taken at USC. Business courses completed at another college or university may earn general elective credit. In addition: • It is recommended that students complete General Education courses, as well as financial and managerial accounting. • Please note that prospective Accounting majors must first enter the USC Marshall School of Business as Business Administration majors. A formal request to transfer to the Leventhal School of Accounting can be made once the resident accounting course or courses are successfully completed.</td>

<td>MAJOR (FL)</td>
<td>Animation &amp; Digital Arts, B.A. ✓ To better prepare for all Cinematic Arts majors, students are encouraged to complete the transferable General Education categories, in addition to the Math, Writing and Foreign Language requirements. Cinematic Arts programs are project intensive, and completion of transferable General Education courses will allow students to better focus on Cinematic Arts courses. Film &amp; Television Production Applicants: To be considered for admission, applicants must first obtain 48 transferable semester units (excluding AP &amp; IB). This total may include units in progress during the fall or spring semester. Writing for Screen &amp; Television Applicants: The undergraduate writing program is a four-year sequential program of study. General Education and elective units may count in transfer. Writing applicants are not required to complete a foreign language requirement. Interactive Entertainment, B.A. ✓ The transfer application deadline for all programs, except Writing for Screen &amp; Television, is February 1, 2020. The deadline for the Writing for Screen and Television program is December 1, 2019. Media Arts + Practice, B.A. ✓ In addition to the Common Application and USC Writing Supplement, all undergraduate applicants must submit a Slideroom application for supplemental and portfolio materials. Writing for Screen &amp; Television, B.A. ✓</td>

<tr>
<td>MAJOR (FL)</td>
<td>Communications ✓ The best preparation for an Annenberg major is progress toward completing the USC General Education program and having completed at least one level of a foreign language. You may transfer in a maximum of 64 units of credit for all majors. In addition: • Include a letter of recommendation from a college instructor or college academic advisor. Journalism ✓ • Include in the USC Writing Supplement a 250-word Statement of Intent that explains your educational and career interests and why USC Annenberg is the best match for you. Public Relations ✓ • Communication Applicants: Communication courses taken at another college or university will not count toward the Communication major. • Journalism and Public Relations Applicants: You may transfer in a maximum of 12 units of advertising, journalism and public relations courses for elective credit only. • Please visit annenberg.usc.edu/ProspectiveAdmission.aspx for the complete Annenberg transfer guidelines.</td>
