

COURSE EXPECTATION LETTER

Subject:

FTEC 105 Building Construction for Fire Protection

Email Contact Information:

jbaumunk@riohondo.edu

Catalog Course Description:

This course provides the fire technology or other interested students with an understanding of the essential components used in building construction that directly relates to fire safety. The elements of construction and design of structures, factors when inspecting buildings, preplanning fire operations, and operating at fires will be discussed. The development and evolution of building and fire codes will be studied in relationship to past fires in residential, commercial, and industrial occupancies.

Advisory: ENGL 035 or ENLA 100 or appropriate placement; READ 043 or appropriate placement. Transfers to: CSU, 3 Units/54 Lecture hours
2021/2022 RHC Catalogue

Student Learning Outcomes:

2022/2023

SLO # 1: In a written assignment, students will correctly identify common occupancy classifications found in the building and fire codes.

2023/2024

SLO # 2: Presented with a structural collapse scenario, students will correctly identify and discuss measures to be taken by firefighters to mitigate safety hazards associated with common building construction types.

2024/2025

SLO # 3: In a written assignment, students will correctly identify common building construction types found in the building and fire codes.

By logging into Canvas you affirm that you are the student who enrolled in the course(s) and are the person who will complete the assigned work. Furthermore, you agree to follow the regulations regarding academic integrity, personal identification and the use of student information as described in BP 5500 (Standards of Conduct) and AP 5520 (Student Conduct Procedures) which are the Rio Hondo College student conduct codes that govern student rights and responsibilities. You acknowledge that failure to abide by the regulations set forth in BP 5500 and AP 5520 may result in disciplinary action, including expulsion from the college.

This is **NOT** a self-paced course. There are firm deadlines in this class. There are assignments due on a regular basis. Please plan your time carefully!

Textbook: Please consult the Bookstore for information at (562) 463-7345 or go to [Rio Hondo College Online Bookstore](#)

Over the course of the semester there will be regular instructor student contact.

Methods of student contact include:

Class Location:

This class will be on-line using Canvas. The Canvas application is available for I-Pads, Tablets, and Smartphones from your carrier's application store.

Class Dates & Time:

This class meets on-line using Canvas. Students are expected to check the Discussion Board and Announcements daily as new information may disseminated daily.

Instructor Information: Jeffrey Baumunk, M.Ed.

Phone Number: (702) 271-8230. E-mail: jbaumunk@riohondo.edu

Office Hours: Contact instructor for individual meetings via email or Chat Room on Canvas. Students may e-mail or call me to schedule a meeting.

The instructor may drop you for non-participation.

There will be a one to three business day delay after an add code is used before a student may be able to log on to Canvas.

For students new to online classes, it is highly recommended that you take the Online Orientation through our Online Education website. This will help explain what online classes are like and familiarize you with how the class is laid out. The orientation can be found at: <http://www.riohondo.edu/canvas-orientation/>

Email Responses: Instructors will make every attempt to respond to students in a timely fashion. Responses can take up to 48 hours before a response is received, excluding weekends and holidays.

Disability: A Student with a verified disability may be entitled to appropriate academic accommodations. Please contact your instructor and/or the [Disabled Students & Programs](#) office at 562-908-3420 for more information.

Modifications and Disclaimer: The instructor reserves the right to modify the content of the course or any course procedure. It is the responsibility of the student to keep apprised of all changes. If the student wishes to drop the class he/she is responsible for initiating the drop. Do not take it for granted that you will be dropped. If you stop working and do not drop the course, you may get an undesirable grade.

Additional Information:

Best of luck to you!
