The following **response(s)** is provided per question(s) submitted by Bidder(s):

1. **Question:** Is Music and Wray Theater Renovation Project a DSA or Non-DSA project? If it’s a DSA project, please provide DSA approved plans and DSA 103 Form Listing of Structural Tests and Special Inspections. If it’s a Non-DSA project, please provide Construction Schedule/Project Duration and Construction Cost?

   **Answer:** The project is a DSA project. There are no DSA approved plans and DSA 103 Form at this time. The REH report (Appendix D) will be the only DSA approved documentation required for this phase of the project.

2. **Question:** Would there be any out-of-state or out-of-country shop welding inspections?

   **Answer:** The scope of work associated with this phase of the project will not require out-of-state or out-of-country shop welding inspections.

3. **Question:** On page 8 of 29, Section A. Bidder Qualifications, Related Experience and References, we find that the following are not applicable per Exhibit A – Statement of Work. Are we able to omit this from the proposal requirements or would we need to include a statement of “not applicable” to the proposal?

   Number 1. states, “Credentials and experience related energy efficiency analysis and life cycle cost analysis.”

   Number 2. states, “Credentials and for mechanical systems, design and engineering.”

   Number 3. states, “Experience on projects involving central plant design and infrastructure piping, including all mechanical and electrical systems and distribution piping throughout a campus or building complex. (This should include the project name, owner, dates of the period of service, and dollar value of the services performed by the firm).”

   Number 6. states, “Experience performing comprehensive building retro-commissioning for existing HVAC systems with integrated Energy Management System (EMS) controls, central utility plants, electrical and lighting, plumbing and hot water boiler systems.”

   **Answer:** See Addendum No. 1.
4. **Question:** On page 10 of 29, Section 29. Incorporated Documents, item B states "The following exhibits shall also apply and incorporated by reference:" – Will we need to provide the items listed under item B with the proposal submitted or only when awarded?

**Answer:** See page 8 of 29 (Item 24 “Proposal Content) for the documents that need to be included as part of the response to the RFP.

5. **Question:** On page 10 of 29, Section 29. Incorporated Documents, item B lists “Exhibit H: REH Report”, but on page 23 of 29, Exhibit H is listed as Certification of Contractor and Subcontractor Division of Industrial Relations (DIR) Registration instead and an additional document was provided titled “Appendix D REH Report” – Is Appendix D the same as the Exhibit H: REH Report or is there an additional REH Report that we are missing?

**Answer:** Exhibit H is the Certification of Contractor and Subcontractor DIR Registration. Appendix D is the REH Report (it was uploaded as a separate file at the RHC website due to file size). There is no additional REH report.

6. **Question:** On page 20 of 29, Exhibit E: Non-Collusion Declaration – Does this form need to be notarized?

**Answer:** No.

Sincerely,
